

BOMB EXPLODES IN AMERICAN EMBASSY

SENT TO AMBASSADOR HERRICK BY MAIL AND WAS MARKED PERFUME

Ambassador's Valet Who Opened Package Injured Slightly—Hurled Bomb in Bathroom Which Was Destroyed—Believed Sent by Communists—Police Busy on Case

PARIS, Oct. 19.—A small oblong package wrapped in plain white paper tied with a strong cord and marked "per-fume" lay on a table in the American embassy all this morning. It was addressed personally to the American ambassador, Myron T. Herrick, and had been delivered by registered post.

Thinking it was a gift, the ambassador's secretary, Lawrence Norton, carried it to the ambassador's residence, the former home of Prince Jacques De Broglie, at 16 Avenue de Messine. Early in the evening, the ambassador's valet, Blanchard, saw the package on a desk and, following custom started to open it.

The removal of the paper revealed a small pasteboard box, such as might be used for holding soap. Almost immediately a spring was released and as Blanchard lifted the lid he heard a familiar noise, which brought back the days when he was a bomber in the British army. He hurled the box thru the open bathroom door and ran from the room. The bomb exploded in the doorway, two fragments hitting the valet in the back. He was not seriously injured.

BROTHERHOOD CHIEFS GO TO CONFERENCE

Leave Cleveland for Chicago Late Wednesday Night

CLEVELAND, O., Oct. 19.—Four of the "big five" railroad transportation chiefs left here late tonight for Chicago where tomorrow they will be joined by L. E. Sheppard, president of the Order of Railroad Conductors, and conference with the railroad labor board. Prior to the conference with the labor board the five chief executives will hold a meeting at 9 a. m. to discuss matters pertaining to the situation and co-ordinate their governing their action when they go into session with the board.

Before leaving tonight the brotherhood chiefs said they did not have the slightest idea of what proposals the labor board intends to submit to them. Their attitude was one of entire receptiveness and disinclination to discuss anything which might be prejudicial to any conciliatory move contemplated.

T. C. Cashen, president of the Switchmen's Union of North America, arrived here from Buffalo late this afternoon. He accompanied the local brotherhood executives, W. G. Lee, president of the Brotherhood of Railroad Trainmen; Warren S. Stone, president of the Brotherhood of Locomotive Engineers, and W. S. Carter, president of the Brotherhood of Firemen and Enginemen, to Chicago.

Mr. Cashen was in conference this afternoon with President Stone and the advisory board of the Brotherhood of Locomotive Engineers and President Carter and the executive committee of the Brotherhood of Firemen and Enginemen.

It was announced today that the members of the advisory board of the engineers and the executive committee of the firemen will remain here pending further instructions from their presidents.

POISONED CANDY VICTIMS RECOVERING

CHICAGO, Oct. 18.—Six nurses at the West End hospital, rendered critically ill by eating candy anonymously sent one of them, tonight were said to be well on the way toward recovery. Postal inspectors and police worked on slender clues to identify the sender. A typewritten note which accompanied the home made candy to Miss Helen Rosenfield said it was a present from "a patient who is an ardent admirer of yours."

Mrs. Rosenfield gave the officials the name of a suitor whom she suspected, however.

COMPROMISE TAX REVISION BILL IS UNDER FIRE

Is Assailed by Both Republicans and Democrats

WASHINGTON, Oct. 19.—The compromise tax revision bill was assailed today in the senate by both Democrats and Republicans. Senator Underwood of Alabama, the Democratic leader, characterized the measure as the worst ever presented to congress. No one understood it, he declared except the few treasury experts who drew it and he predicted that if the bill became law the courts would be several years in interpreting it.

Charging the Republicans with a failure to be candid with the American people, the Democratic leader said they were trying to have it go out that taxes were to be reduced when as a matter of fact they would be increased thru the operation of the administrative provisions of the revenue measure and the proposed American valuation plan in the tariff bill.

Senator Moses, Republican of New Hampshire, paid his respects to the committee bill and also to the amendments sponsored by the agricultural bloc which he termed the "ken-cap-klan" a play of names of Senators Kenyon, of Iowa, and Capper of Kansas, leaders in the bloc.

Endorsing the Smoot manufacturers sale tax, Senator Moses declared the committee bill plainly was drawn under the inspiring inspiration of the slogan "soak the rich."

SMALL REFUSES TO SAVE MURDERERS

SPRINGFIELD, Oct. 19.—Governor Len Small today refused to save two wife murderers from the gallows.

Acting on recommendation of the State Board of Pardons and Pardoners, negro, Champaign, and Frank Legregni, Italian, Chicago. They will both hang Friday, October 21.

Trial judges in both cases refused to request the Board of Pardons to ask clemency, expressing the opinion that the penalty was provided by law, and the condemned men deserved the punishment.

The supreme court refused to hear Legregni's case, but that of Christmas failed to reach the higher court, because of lack of funds. Friends of the condemned negro, Christmas attempted to raise an appeal fund, but failed. It would have cost about \$400.

Both men killed their wives in fits of jealousy, Christmas while taking his wife back home from her mother, and Legregni, after his wife had refused to return. Legregni and his wife had been studied together in Moody Bible Institute before their marriage.

WILL SELL HARD ROADS BONDS TUESDAY

SPRINGFIELD, Ill., Oct. 19.—The first of Illinois' \$60,000,000 worth of hard road bonds will be sold next Tuesday, it was announced tonight following a conference between Governor Small, Secretary of State Emmerson, State Treasurer Miller and State Auditor Russell. Five million dollars worth of the bonds will be put on the market.

The bonds will be issued in denominations of \$1,000 and will draw 4 per cent interest. The first \$500,000 worth will mature on May 1, 1926. Until May 1, 1935, the same amount of bonds will mature annually.

Since Illinois began hard road construction highways have been built out of the automobile license fund, which this year amounted to \$6,700,000 for the first nine and one half months. The bonds also will be paid out of the automobile fund.

The \$60,000,000 bond issue was approved in 1918.

Next Tuesday's bond sale will be held in the offices of Colonel C. R. Miller, director of public works. The road law requires the personal signatures of the governor, secretary of state, state treasurer and state auditor on each bond.

WEATHER REPORT

(By The Associated Press)

ILLINOIS—Fair in south; unsettled in north portion Thursday. Colder in south portion; Friday generally fair with rising temperature.

TEMPERATURES.

The current, maximum and minimum temperatures as recorded Wednesday were:

Jacksonville, Ill.	56	67	50
Boston	61	76	58
Buffalo	50	60	52
New York	70	82	62
Jacksonville, Fla.	70	82	62

Chicago	49	61	53
Detroit	52	60	50
Omaha	56	62	52
Minneapolis	52	62	52
Helena	70	76	46
San Francisco	84	86	42
Winnipeg	42	46	40
Cincinnati	54	68	52

TAXATION BLAMED FOR BIG WASTE IN MINING INDUSTRY

This is Opinion Expressed at American Mining Congress

(By The Associated Press)

CHICAGO, Oct. 19.—State taxation of mining properties was a subject of special consideration today at the national mine tax conference being held here in conjunction with the 24th annual convention of the American mining congress. McKinley W. Krieger, chief of the tax division of the American mining congress, in defining the purposes of the conference declared that the greatest waste in the mining industry today is that resulting from the total loss of enormous tonnage of ores which could be mined at a profit if it were not for high taxes.

E. L. Grover, Tazewell, W. Va., a mining operator discussed the industrial situation in the West Virginia coal fields. He scored the methods and policies pursued by the United Mine Workers of America and attributed to them the blame for the recent outbreaks in Mingo county.

"Every single act of violence and lawlessness in Mingo county has been the direct result of the activities of the United Mine Workers of America," he said. "There is not an instance where the non-union miners or the coal companies have been the aggressors but in all of these conflicts they have occupied the position of defenders."

A. G. McGregor, Bisbee, Ariz., a consulting engineer in addressing the congress this afternoon pleaded for better cooperation between capital and the workers.

"We need higher wages for the worker in terms of what the wages will purchase which means better cooperation between capital and the workers in the reduction of the labor required in all industry per unit of output," he stated.

IRISH DELEGATES WILL PRESS FOR EARLY DECISION

Want to Know Whether it is to Be Peace or War

(By The Associated Press)

LONDON, Oct. 19.—Prime Minister Lloyd George's decision to go to the Washington conference is having its effect on the progress of the convention with Irish leaders which has been in progress here for the last week endeavoring to solve the Irish question.

Government circles today expressed belief that the plan whereby the various points, particularly the conditions named in Mr. Lloyd George's dominion home rule proposal are to be referred to subcommittees make it quite safe for him to proceed to America.

On the other hand Sinn Fein leaders are believed to be determined to ascertain before his departure whether it is to be peace or war. Some of them say that none of the critical points has been touched thus far which fact they claim, accounts for the smoothness of the sessions to date; and they object to these points being kept in the background indefinitely.

No date has yet been fixed for the next meeting of the Irish conference.

SAYS COUNTY COURTS HAVE JURISDICTION

(By The Associated Press)

SPRINGFIELD, Ill., Oct. 19.—With Illinois' new prohibition law in the supreme court for a test on the constitutionality of sections delegating to county courts the right of equity, Judge J. B. Weaver of Sangamon county court today over ruled demurrers attacking sections authorizing injunctions against owners and occupants of property used in illegal liquor transactions.

In a lengthy opinion Judge Weaver ruled that county courts have jurisdiction in injunction cases. Thirty alleged violators of the new liquor law were involved in the case. Judge Weaver ruled next Wednesday as the date for hearings on State's Attorney Mortimer's application for permanent injunction against the properties named in the temporary injunctions.

FRESHMEN PLEDGE \$300,000 TO STADIUM

URBANA, Ill., Oct. 19.—The 2,500 freshmen of the University of Illinois today pledged \$300,000 to the Illinois Memorial stadium building fund, increasing the total subscribed by students to \$1,000,000. Alumni will be so helped in a nationwide campaign beginning November 1, at which time it is hoped to reach the \$2,500,000 goal, the estimated cost of the stadium.

HARDING IS GIVEN HONORARY DEGREE OF DR. OF LAWS

College William and Mary Confers it Wednesday

(By The Associated Press)

WILLIAMSBURG, Va., Oct. 19.—President Harding was given the honorary degree of doctor of laws by the College of William and Mary today at exercises of installation of Dr. J. A. C. Chandler as president of the institution.

In cap and gown, Mr. Harding, in an address appealed for increased patriotic attention to the national educational system and praised the part played in American history by the institution which is the second oldest college of the country and among whose graduates are numbered three presidents of the United States.

Before coming here the president delivered an address from the spot in Yorktown where Lord Cornwallis surrendered the British forces to General Washington in 1781 and announced to the world a policy of Anglo-American friendship for all future time. The United States and Great Britain, the president asserted had consecrated a long time friendship by association in the common sacrifice of the World War and found themselves "arrayed together" in a trusteeship for the preservation of civilization. He spoke also a word of gratitude for the aid given by France in the revolution and declared that the time had come for world wide cooperation and amity among nations.

That part of the Yorktown speech devoted to British-American relations was in the form of a brief declaration of policy on which the president did not elaborate.

"The triumph of freedom in the American colonies," he said "greatly strengthened liberal views in the old world. Inevitably this liberal public opinion, deliberate and grown dominant, brought Great Britain and America to a policy of accommodation and pacific adjustment for all our differences."

Came Together in World War

"After an honorable and unbroken peace for more than a century, we came to a common sacrifice and unsanguined association in the World War and a future breach of our peaceful and friendly relations is unthinkable. "In the trusteeship of preserving civilization, we were naturally arrayed together and the convictions of a civilization worthy of that costly preservation will exalt peace and warn against conflict for all time to come."

In the general discussion of world relations which followed the president declared American participation in world affairs, "inevitable" and voiced a hope that general cooperation "to the common good" would usher in a new day of international relationship. He sounded a warning, however, against impairment of national sovereignty in the name of international unity.

Delegates were present at the William and Mary exercises from all colleges in the country more than 100 years old and honorary degrees were also conferred on Judge Alton B. Parker, Democratic candidate for president in 1904, and on Governor Westmoreland Davis of Virginia.

After the ceremony the president went to Jamestown, the site of the first English settlement in America and placed a wreath on the grave of Governor Yardley, who, in 1619 called the first legislative assembly to be held on this continent.

Late in the day the chief executive visited various historic scenes in Yorktown, inspecting landmarks of three wars. He interested himself in many details of the part Yorktown played as a battle ground of union and confederate armies and finally as headquarters for the Atlantic fleet in the World War. One of his interesting experiences was a visit to the Wilson house which was used by Cornwallis during the siege of Yorktown.

The president was a guest at tea there.

In the president's party were four cabinet members, Secretaries Hughes, Mellon, Weeks and Hoover, besides various other officials and Prince De Bern, in charge of the French embassy at Washington.

Leaving Yorktown tonight on the Mayflower the party is to reach the capitol early tomorrow morning.

Mrs. Ellen Rice was a city shopper from Chapin yesterday.

FACTIONS IN RAIL CONTROVERSY ARE SILENTLY ALERT

Are Awaiting the Outcome of Conference of Union Heads With the Railway Labor Board and Action of Other Unions—Some Signs Apparent for Peaceful Settlement

(By The Associated Press)

CHICAGO, Oct. 19.—Preparations for the various moves thru which it is hoped the threatened rail strike will be averted were completed today and tomorrow the peace efforts will be in full swing.

Tonight heads of the unions and of the carriers were silently alert with—figuratively speaking—one eye on the conferences tomorrow between the "big five" rail union leaders and the railroad labor board and the other on meetings of officials of eleven unions which have not yet joined the conductors, enginemen, trainmen, firemen and switchmen in a strike order, for both sides were agreed that out of these conferences would come the final decision as to whether a general walkout of rail employees would materialize.

In the conference with the labor board rested the possibility of the "big five" being persuaded to cancel their order for a walkout, while in the meetings of the eleven unions which actually started today was to be decided whether these organizations holding the balance of man power thru numbering three-fourths of the nearly 2,000,000 rail workers in their membership would join the "big five" if they walked out Oct. 30 as planned.

Warren S. Stone, president of the Brotherhood of Locomotive Engineers; W. G. Lee, president of the Brotherhood of Railroad Trainmen; W. S. Carter, president of the Brotherhood of Locomotive Firemen and Enginemen; T. E. Cashen of the Switchmen's union of North America and E. P. Curtis, vice president of the Railway Conductors left Cleveland tonight for Chicago to meet with the labor board at the latter's request.

L. E. Sheppard, president of the conductors' organization, also is expected to be here tomorrow.

Sees Signs of Settlement

While this conference was looked on as the most important of the peace moves, railroad men tonight professed to see signs of a peaceful settlement of the difficulties in the attitude of B. M. Jewell, head of 476,000 members of the six railway shop craft organizations and J. C. Smock, vice president of the Maintenance of Way Union, which numbers 300,000 men.

The shop crafts executive council met today but took no action other than to call in the conference committee of one hundred. The committee while having the power to call a strike also is expected to defer action by calling in the 1,000 general chairmen for a meeting Friday when the final attitude of these groups probably will be made known.

"The maintenance of way executive council met only informally today, the formal meeting coming tomorrow when all of the members are expected to be present."

"I cannot speak for my entire organization now, but personally I will say that we do not want a strike, that we would never strike on the wage question unless forced to and that we will not go into any walkout with the brotherhoods unless we have definite promises of co-operation which so far have not been forthcoming from them," said J. C. Smock, maintenance of way vice president tonight.

Mr. Jewell repeated his statements that he was opposed to the strike.

The labor board will go into conference with assurance of full support from every interested governmental department, its members said tonight following an executive session at which they went over the case. One member intimated that he believed the board had found a legal method of enforcing its ruling. Heretofore the board has maintained that they had no power to carry out its decisions and unions and railroads each have charged the other with violating the board's rulings. If legally empowered to enforce its decrees, the board probably could easily avert the walkout which is scheduled as a protest against the wage cut ordered by it.

The board had no announcement to make tonight as to its procedure tomorrow other than to say that the situation would be gone over thoroughly.

It is understood however, that a plan similar to that proposed by the public group in Washington—calling for acceptance of the last wage cut and cancellation of the strike order by the men with the roads immediately reducing freight rates and temporarily

(Continued on Page Four.)

RESOLUTIONS ARE ADOPTED BY GOVERNORS

Ask Repeal of Clauses of Esch-Cummins Measure

(By The Associated Press)

DES MOINES, Iowa, Oct. 19.—Repeal of clauses of the Cummins-Esch transportation act directing the interstate commerce commission to fix freight rates on a basis that will return on their valuations was urged in a resolution adopted by the conference of midwestern governors at its closing session here late today. Guaranteeing the railroads a fixed return is unwise and uneconomical, the conference declared.

Resolutions were adopted asking a substantial reduction in present freight rates, advocating congressional action to remove doubt as to state jurisdiction over state railroad rates and services, urging reduction of federal reserve bank discount rates in agricultural districts endorsing the movement for limitation of armaments and asserting that the government of the United States should protect the interest on its foreign loans annually.

Lengthy discussion took place on a suggestion that the conference should express an opinion on the pending railroad strike crisis, but the view prevailed that it would be impolitic to do so. It should be assumed, several of those present, said that in any critical situation which may develop federal and state authorities will act constitutionally and in accordance with their oaths of office.

Action was unanimous on all the resolutions that were adopted, tho some of the conferees said they would have preferred stronger statements.

Governor J. J. Blaine, of Wisconsin, in the discussion on the resolution condemning the fixed earnings clause of the transportation act urged that the total repeal of the law should be demanded. He said it was nothing short of communism to give private enterprise a guaranty of earnings. Such a guaranty, he declared, inevitably discourages initiative and efficiency.

He advocated repeal of the whole act on the ground that its essential features are the earnings guaranty and the concentration of rate jurisdiction in the interstate commerce commission, in which two respects, he remarked the conference was agreed in condemning it. Adoption of a resolution urging amendment rather than repeal was decided on as likely to be of more practical use.

"Better Package Month" was proposed by the railroads for November. The purpose is to give proof to shippers of how great are the savings that can be effected if the proper care is used in packing goods that are later entrusted to the roads. Perhaps in view of strike possibilities some other month than November will serve better for this saving demonstration.

During the discussion relative to the possibilities of a railroad strike more and more attention has been given to the fact that the reduction of 12 per cent in employees' wages made last July was not passed on to the public in decreased rates. The road managers would have been in better position with the public if there had been an early reduction in freights following that wage reduction instead of merely a promise of lower freights when an additional 10 per cent cut in wages is allowed.

Meanwhile it is interesting to

note that for the most part people view the situation optimistically and do not believe that the tieup will become a reality.

A scientist declares that at no distant date oil will be manufactured from shale that is now considered useless, and says further that the cost of manufacture will make it possible to compete with oil which is now found in some favored localities below the surface of the earth.

Still other scientists promise that new methods for burning coal will soon be devised greatly increasing the heat units and lowering the cost. Certainly wonderful days are ahead if the men of science can only make good their promises—and they usually do.

Recent experiments in stunc and tear gas have been so successful that they will be used by the police departments in some of the big cities in dispersing mobs or quelling riots. One of the gases when released renders those with whom it comes in contact almost insensible. This condition will continue for from 15 minutes to half an hour with no bad after effects. The other gas causes tears to flow copiously when one comes in contact with it.

The facts about these gases suggest how quickly warfare methods may change and furnish additional argument for those who preach disarmament. From scientific research it is more than likely that within a few years the present system of warfare and defense will be obsolete.

Jacksonville's second successful automobile show and merchants' exposition is now in progress at the Cherry building on North Main street. Visitors there yes-

terday found it fully up to their expectations. Thousands of visitors discovered on every hand evidences of the push and pep of Jacksonville business men. The exposition is but another evidence of what the people here can accomplish when they work together.

The same general statement will apply to the special united sales effort. Many of the merchants who joined in the effort last night declared that the first day had shown substantial results and had given proof that the public is very willing to respond to a bargain invitation. The exposition and joint sales plan are both worth while even if they did not make a dollar for the merchants.

Henry R. Rathbone was in the city yesterday. He is a candidate for congressman-at-large on the Republican primary ticket. Mr. Rathbone's grandfather was Hon. Ira Harris, United States senator from New York state during the Civil war and one of President Lincoln's staunchest supporters. His father and mother were also intimate friends of President and Mrs. Lincoln and, while engaged to be married, were in the box at Ford's theatre at the time of Lincoln's assassination. His father, an army officer, was severely wounded by Booth when he endeavored to protect the president.

Mr. Rathbone is a graduate of Yale University and of the law department of the University of Wisconsin. As a trial lawyer he has shown marked ability and has successfully concluded matters of litigation in many states.

During the war Mr. Rathbone devoted his entire time to various lines of patriotic service. He was the chairman of the War Committee of the Chicago Bar association, which handled over two thousand cases a month of free legal advice and assistance to soldiers, sailors and their dependents. He was also very active in touring the country and speaking in the various Liberty Loan and other drives.

He is a former president of the Hamilton club of Chicago and prominent also in Chamber of Commerce and Americanization work and has been chairman of the Mississippi Valley committee and on the Legislative and Lawyers' committee of the Chicago Association of Commerce.

He has many friends here who favor his nomination.

BOOSTER DAY BARGAIN
\$3.25 block of Medicated Stock Salt will be sold during Booster Days, only one to a customer, for 98c cash. **CAIN MILLS**

FALL WHEAT
From all directions come good accounts of the new fall wheat crop. Before the Civil war every self respecting, forsoothed farmer did his fall plowing largely in August and had his wheat crop well up in September but the fly put a crimp in that practice finding luxurious quarters in the new crop so that now it is the course of wisdom to sow just as late as possible in October. Some report sowing last week and some have finished this week but the majority sowed earlier in the month and report the young shoots looking fine.

A limited number of \$9.00 Stetson Hats will be sold today by FRANK BYRNS Hat Store for \$3.00 each.

WILL MEET AT CHURCH FRIDAY
The Ladies of State Street Presbyterian church are requested to come to the church Friday at 1:30 to make surgical dressings.

WILL MEET TONIGHT.
The Past Noble Grand club of Jacksonville Rebekah lodge No. 13 will meet this evening with Miss Frances Alkire, 350 East College avenue.

A. J. Pratt motored to the city yesterday from Griggsville to help celebrate Booster Day.

MOELLER AND FUNK
HELD CATTLE SALE

Disposed of Stock at Sale Held Wednesday—Proceeds Totalled \$2,121.

Moeller and Funk held a sale of cows, heifers and calves at their farm near Orleans Wednesday. There was a large attendance and satisfactory prices prevailed.

C. M. Strawn, J. L. Henry and C. J. Wright were the auctioneers, while Thomas Doyle served as clerk. The proceeds of the sale totalled \$2,121.

Members of the Orleans country club served the lunch. The ladies have pledged furnishings for one room in the Morgan county tuberculosis sanatorium and realized a good sum from their efforts. Mr. Funk also donated a calf to the ladies and it was to be given to the one who picked out the cow which would sell for the highest price and who made the nearest guess to the price. J. L. Henry, Edward Denwer and Harold Perlich tied and donated the calf back and it was sold. The club received \$20.50 from the sale, which will be added to the room fund. Some of the prices and buyers are given here-with.

C. F. Corrington, cow and calf, \$154.

Clark Stevenson, cow and calf, \$122.

Louis Perlich, cow and calf, \$110; heifer, \$66.

Edward Hamman, cow and calf, \$112.

L. W. Cox, cow, \$63; heifer, \$31.

Davis, calf, \$25; one at \$14; one at \$13.

George Horn cow, \$87; one at \$68.

A. L. Lukeman, bull calf, \$42.

John Kennedy, cow, \$89.

Alfred Swinger, cow, \$65.

Louis Moeller, cow and calf, \$91.

Charles Freitag, calf, \$31.

J. W. Arnold, cow and calf, \$91; cow and calf, \$86; cow and calf, \$80; cow, \$44; heifer, \$44; calf, \$18; calf, \$20.

E. J. Reynolds bull calf, \$51.

Jerry Ryan, cow and calf, \$75; cow, \$50.

Charles Thies, bull calf, \$45.

A. O. Harris, cow, \$64; heifer, \$61.

H. D. Massey calf, \$26.

James Cunningham, heifer, \$36.

MEMORIAL SERVICES
AT ILLINOIS COLLEGE

The Illinois chapel exercises yesterday morning were devoted to a memorial service in honor of the late Frederick Lee Williams, deceased soldier student, who died in the service during the world war, of influenza. The young widow of the soldier was present at the service and the students of the college who served overseas, attended in uniform.

The service began with a vocal solo by Mrs. A. R. Gregory. Then Dale Giberson, a student at the college at the present time, made a talk regarding the life and work of the soldier, after which he presented a large picture of Williams, with a silver name plate, to the college. Dean F. S. Hayden made the acceptance address in the absence of President Rammekamp, and Miss Smith, instructor in the biology department, voiced the acceptance for that department.

Williams entered Illinois college in 1915 and studied there until March of 1918 when he enlisted in the army. He was sent to Lewis Institute to study engineering and there died after an attack of influenza. One and a half years of his stay in Illinois college he acted as student assistant in the biology department. The picture, with its silver name plate, was given by the students, friends, and members of the faculty and will be placed in that department.

The Passavant Ladies' Aid will meet at the hospital this afternoon at 2 o'clock.

GARAGES MUST
PAY LICENSE FEE

Commerce Commission Rules They Come Under Law Covering the Storage of Personal Property—Fee Will be \$25 Per Year.

SPRINGFIELD, Ill., Oct. 19.—Garages must pay a license fee of \$25 a year to the Illinois commerce commission, and must file a bond off \$5,000 to \$10,000, it was ruled here today.

This announcement was made by the commission upon deciding that garages come under provisions of House Bill 776 passed by the last legislature, which directs that "no one shall engage in the business of storing personal property without a license issued by the public utilities commissions, except warehouses licensed under the Cold Storage Warehouse Act or under the Grain Warehouse Act."

Grain elevators the commission also announced today do not come under its jurisdiction.

Storage of automobiles, no matter the amount of charge, nor the length of storage, will bring garages under provisions of the act, the commission ruled, adding that it could not consider individually, these details. The bond of \$5,000 to \$10,000 required is to secure observance of the commission's rules and regulations, authorized by the act.

Violations of the act are punishable by a fine of not more than \$1,000 or imprisonment not exceeding six months or both.

KNIGHTS OF COLUMBUS

Special meeting tonight at 8 o'clock. Important business. W. T. HARMON, Grand Knight.

DR. SMITH TO REMAIN AT WESTMINSTER

Popular Minister Accepts Pastoral Duties for Another Year—Congregational Meeting Held Last Night.

An adjourned meeting of the members of Westminster church was held last night. Emory Moore presided as moderator, being chosen for the post because of his familiarity with Presbyterian laws and practices. As the terms of service for which Dr. Thomas Smith was engaged as pastor of Westminster has expired, by unanimous vote the members asked the minister to remain another year.

Dr. and Mrs. Smith who were at the Mansie w' the business session was being held, were asked to attend the meeting as soon as the business had been transacted.

At the conclusion of the service an informal reception was held, the members expressing their genuine pleasure that Dr. and Mrs. Smith are to continue in the work with them. The members at the session elected B. F. Shafer, principal of the Jacksonville high school, as an elder to fill the vacancy caused by the resignation of Dr. F. C. Noyes.

ARENZVILLE
HOMECOMING
TODAY

Don't forget the date. Big eats, colored minstrel, prominent speakers, and dancing at night. Angier's Novelty Orchestra. Perry Military Band.

STRIKE TALK NOW

PREVALENT IN BOODHOUSE
Roodhouse, Oct. 19.—Strike talk and kindred topics are prevalent in this city for the past few days, since the five big brotherhoods have issued orders for every employee to be ready for any emergency.

According to the plans adopted by the rail chiefs this system shall not be hindered by the first walk-out, as it is not included in the first group which are scheduled to make the initial step upon November 1, or some time later.

KNIGHTS OF COLUMBUS

Special meeting tonight at 8 o'clock. Important business. W. T. HARMON, Grand Knight.

IS ATTENDING

REBEKAH ASSEMBLY
Miss Joyce Estaque is in Springfield attending the meeting of the Rebekah state assembly. She is the delegate from Jacksonville Rebekah lodge, No. 13. From Springfield she will go to St. Louis for a visit with Mrs. W. A. Storck.

BOOSTER DAY BARGAIN

\$3.25 block of Medicated Stock Salt will be sold during Booster Days, only one to a customer, for 98c cash. **CAIN MILLS**

WILL MEET TODAY

The Mound Woman's Country club will meet at the home of Mrs. R. G. Vasey this afternoon at 2:30 o'clock. At this meeting Miss Edith Stewart and Mrs. Nellie Gunn will report on the federation clubs convention held in Greenfield last week. Mrs. Gottfried Tendiak is assisting the hostess, Mrs. Vasey.

As this is the first meeting of the club year, every member is urged to be present.

DON'T FORGET THE
AMERICAN LEGION
BURGOO
at
ARENZVILLE
TODAY

A "whale" of a good time for young and old. All day long.

DANCING AT NIGHT

VISITATION DAY AT
CENTRAL CHRISTIAN

This is "Homecoming week" at Centenary church. This evening there will be a get-together supper at 6 o'clock in the church parlors. Each family will bring enough sandwiches for its own use and one other dish. This will be supplemented by food prepared in the church kitchen by the committee in charge of the menu. After supper the time will be given to the renewal of acquaintances, which may have lapsed during the summer, making new acquaintances, and especially to the introduction of new members. This part of the evening will be an informal and home-like gathering. Every member of Centenary is expected to be present and all friends who care to come are welcome.

Sunday, October 23, is "Homecoming Sunday." It is expected that the plans for the year will be in order by that time, the financial canvass well cleared up, and all the conditions favorable for a happy beginning of the year's work.

All are welcome at this home-like church.

Jacksonville Lodge No. 570 A. F. & A. M. will hold a stated meeting to-night. Work. Visiting brethren welcome.

H. C. Goebel, W. M. E. L. Kinney, Secy.

Julius Hacker of Arenzville was an arrival in the city yesterday.

NATURE PUT IRON

FOR YOUR BLOOD

In the husks of grain and the peels and skins of fruits and vegetables but modern methods of cookery throw all these things away—hence the alarming increase in anemia—iron starvation of the blood, with its never ending trend of symptoms of nervous irritability, general weakness, fatigue, disturbed digestion, headaches, pains across the back, etc.

Either go back to nature or take organic iron—Nuxated Iron—to help enrich your blood and revitalize your worn-out exhausted nerves. Over 4,000,000 people annually are using it. Nuxated Iron is sold by all druggists.—Adv.

FUNERAL NOTICE.
Funeral services for Mrs. Joel Strawn will be held from Gillham's Funeral Home this afternoon at 2:30 o'clock this afternoon in charge of Dr. Thomas W. day.

THE NEW WHIRLWIND SERIAL

The White Horsemen

FEATURING ART TORD, COWBOY STAR

Thrilling Speedy Clean

SKETCH OF THE PLOT

Unknown to Wayne Allen there is a fabulous opal mine on the ranch recently inherited. The secret is held by John and Sam Ramsey, squatters on the land; Zona, an Indian girl, and the "White Spider," a renegade of the hills. With the exception of Jean and her father, the others are pitted against Allen for the possession of the mine, but he finally triumphs with Jean's help.

No picture yet filmed is so filled with hair-raising, and hitherto thought impossible, stunts.

Reginald Parker's

Production of

"Snow-Blind"

Adapted from the famous novel by Katharine Newlin Burt

A Story You'll Never Forget

Mary Alden

Star of the Old Nest in a picture critics say is bigger and better

Have you read "Snowblind" in the Red Book Magazine? It's Katherine Newlin Burt's newest novel—and one of Goldwyn's greatest pictures.

A young actress, member of a troupe stranded in the snow country, wanders off alone and loses the trail.

Blinded by the unbearable flaming glare reflected in agonizing flashes from the snow, she falls, helpless, into a drift, and after a night of horror is rescued by a giant of a man with a twisted, scarred face.

Then begins as strange and stirring a drama as the camera has ever recorded. In a little cabin, hidden from the world by a ring of towering mountains, love is born and two men and two women come to the turning points of their lives.

The story takes place in the Canadian Northwest, and has for a background perhaps the most beautiful mountain range on the American continent. The grandeur of the snowy peaks towering skyward, the stretch of billowing snow-drifts, the thundering cascades plunging down from the mountains all combine to form a living picture of almost super-natural beauty.

It is a rare motion picture which pleases everybody; but every now and then one comes along that few can resist. Such a picture is "Snowblind." We do not hesitate to personally recommend this thrilling tale to all lovers of genuine artistic worth. We do not want a single one of our patrons to miss it. It will make you feel glad with the world.

FREE CANDY

See the three huge, solid candy "Barber Poles" in our east window, then either in our store or at our booth in the Auto Show guess the weight of the largest one. On Saturday night we will give the largest candy "Pole" to the person who has guessed nearest its correct weight; to the one guessing second nearest and third nearest we will give the others. It costs nothing to guess. Whoever gets one of these will have SOME candy, believe us.

PRINCESS CANDY CO.

ROADHOUSE FOOTBALL TEAM GIVEN BANQUET

Roadhouse, Oct. 19.—The members of the Roadhouse high school football team were the invited guests at a banquet given at the Hotel Roadhouse, Monday night.

The sponsors of this event were a "good sports" of the city, who were slated over the victory last Saturday and had promised the boys a feed if they won this game.

Among those present were: Prof. G. K. Hutchens, superintendent of the city schools; Coach Hill, M. Martin, Dr. C. R. Bates and J. V. Teeple, the latter acting as hostmaster.

It was a pep meeting in the blindest form and was also intended to convey the idea to the members of the team that they had not only their own interests to protect but were battling for the community at large.

GOING TO TUSCON

Mrs. John Lambert and daughter, Miss Sarah, have gone to Tucson, Ariz., for the fall and winter, especially for the health of Mrs. Lambert. When the weather is right they expect to go on to California for a visit before returning.

LUCY PAGE GASTON

STAGES COMEBACK

Miss Gaston Dropped Out of Anti-Cigarette League and Has Founded an Organization of Her Own.

Chicago. — (By The Associated Press.)—Miss Lucy Page Gaston, arch-enemy of the cigarette, has come back.

Dropping out of the International Anti-Cigarette League recently, Miss Gaston has announced she had founded a new national organization—the "Clean Life Movement."

Its slogan is "Clean Speech, Clean Sports, Clean Habits."

Its pledge is "To abstain from cigarettes, tobacco and alcohol in any form and to lead a clean life morally."

Headquarters have been opened in Chicago, from where for a score of years Miss Gaston fought the cigarette. She resigned the superintendency of her league because of a disagreement on policy with her board.

"This Clean Life Movement is the culmination of plans which are the outgrowth of my 20 years of effort in behalf of the youth of the nation," Miss Gaston says in her announcement. "We will operate under national, state and local committees of one hundred, organized primarily to safeguard the health and morals of the youth."

"As bad habits beginning of vicious and criminal careers, we are undertaking thru our educational and pledge signing campaigns, and thru effective community organization a work of prevention that will ultimately reduce juvenile delinquency, the widespread prevalence of which is alarming the federal government as indicated by recent statements of Attorney General Daugherty."

"A number of well known and experienced workers have already offered their services and will be associated with me under a board of directors chosen from a national committee of one hundred now being organized."

BACK HOME FOR AWHILE

Charles Taylor is up from Galveston, Texas, for a visit with his daughter, Mrs. Carl Gruber and other relatives and friends. He served in the world war and his health is much shattered by his exposures and hardships. He formerly lived in this vicinity.

History of Platinum

Years ago in Quibdo, Columbia, S. A., a gold mining town, platinum was blown out into the streets among the "tailings" (waste). Today houses have been undermined and streets turned into shambles to get at the platinum.

The story of Quibdo is merely one of the many illustrations attending platinum's romantic rise from a position of obscurity and

disdain to its present place at the head of the noble metals. Originally its presence in gold was regarded as a drawback. Its stubborn resistance to the action of acids and heat made it peculiarly obnoxious.

Today the very qualities which rendered it originally objectionable have made it priceless. It is resistant to most acids, proof against rust and wear. It is hard, brilliant and durable beyond all others.

GOOD NEWS

Fine

Overcoats

Tailored-to-Measure

Now Only

\$35.00

Back to Pre-War Prices and Materials—We'll Say So!

Many persons have desired to obtain a fine, tailored-to-measure overcoat, of 'old-time' material, but have felt that they could not afford it. We are in position right now to enable you to afford to purchase the coat you want, and have it made exactly as you want it—a coat that will last you many winters and will look well all the time it is being worn. There is very little change in the style of such garments from season to season, so come in, select your material and have a coat made up in an ultra conservative fashion, and satisfaction as well as a big saving will be yours.

Don't forget to visit the Auto Show and Merchants' Exposition this week—it's one of our city's big events, and it's free.

Social Events

Grace W. H. M. Society

Met Yesterday
The Woman's Home Missionary society of Grace W. H. M. church met yesterday afternoon in the church parlors. Mrs. George Baxter was the hostess for the day and she was assisted by the following ladies who are members of Group One. Mrs. A. B. Applebee, Mrs. J. F. Berry, Miss L. Della Blackburn, Mrs. H. A. Braden, Mrs. H. E. Bray, Mrs. Fletcher Blackburn and Mrs. Botkin.

The devotions which opened the meeting were led by Mrs. George Baxter. Mrs. E. D. Herd had charge of the program, the general subject of which was "An Agency of Service." Mrs. Herd read the first chapter in the study book called "From Survey to Service." Mrs. Baxter then gave a reading entitled "How the Church Came to the Prairie." The concluding number on the program was a solo by Mrs. S. F. Jones.

The afternoon closed with a pleasant social hour and the serving of delicious refreshments by the hostesses.

Mrs. Jeffrey Cleary Is Hostess to Priscilla Club.

Mrs. Jeffrey Cleary was hostess to the Priscilla Sewing club at her home west of the city Wednesday afternoon. The club is composed of twelve members and all were present. The afternoon was spent in sewing. Following a pleasant social hour the hostess served refreshment.

Cloverleaf Boosters Enjoyed Picnic.

The Booster club of the Cloverleaf Casualty company tramped out to Mauvaisterre park last evening after work and enjoyed a werner roast. They made a roaring bonfire and cooked plenty to eat and every one had a fine time. Miss Louise Strandberg is president of the club but the entire office force was invited. Everyone did the cooking and helped with the preparations, as no special department was in charge.

U. C. T. Club Meets in Springfield.

The U. C. T. woman's club held their monthly meeting Wednesday afternoon with Mrs. J. Taylor of Springfield, Ill. The club members motored over and on their arrival found Mrs. Taylor had prepared an elegant chicken dinner which was certainly enjoyed by all after the long ride. The regular business meeting was held in the afternoon, after which a social hour was enjoyed. Before the guests departed Mrs. Taylor served ice cream and cake. A very good time was enjoyed in this hospitable home and Mrs. Taylor proved a charming hostess. Plans were made for a Halloween party to be held at the hall on Saturday evening, October 29. The next meeting will be held at the home of Mrs. Abner Thompson on West Lafayette street with Mrs. LeRoy Craig as assistant hostess.

Murrayville Domestic Science Club Met.

Mrs. William White pleasantly entertained the members of the Domestic Science club of Murray-

ville Wednesday afternoon, Oct. 19. After brief business session the delegates who attended the district federation meeting at Greenfield gave an interesting report. The program opened by repeating the club prayer followed by a solo by Mrs. C. R. Short. She sang "Crooning" in her usual sweet way. The roll call was responded to by singing verses of your favorite song. The variety was very interesting. Two very good papers were read. The first "What Is Success," by Mrs. J. T. Warcup and "The Eagle on the Dollar," Mrs. Thomas Doyle. Both were very good. The hostess served delicious refreshments consisting of angel cake and pineapple ice cream. Mrs. Monroe Jennings and daughter Miss Alma were guests of the club and assisted the hostess in serving. The next meeting will be held with Mrs. C. T. Daniels.

Senior Girls at I. C. Give Tea for Freshmen

The girls in the Freshmen class at Illinois College were the guests at a charming tea given yesterday afternoon at the home of Dean and Mrs. G. H. Scott on Grove street. The affair was given by the Senior girls and proved a most delightful event. Special guests at the tea were Mrs. C. H. Ramenkamp, Mrs. G. H. Scott and Miss M. Quistner who poured tea during the afternoon.

The Scott home had been very attractively decorated with autumn leaves and beautifully colored fall flowers. Tea was served during the hours from four to six and a large number of Freshmen girls were guests of the afternoon. An informal musical program was given including a group of songs by Miss Ruth Armstrong.

Wednesday Class at Bancroft Home

Mrs. W. A. Bancroft entertained the members of the Wednesday class at her home on Prospect street yesterday afternoon. The program consisted of brief talks by each member on the life and work of Napoleon the Great. Following an interesting discussion the hostess served delicious afternoon tea.

Advertise Illiwoe With Living Pictures

The members of the Junior class of Illinois Woman's college staged some clever living pictures during the chapel hour Wednesday morning to advertise the Illiwoe, the college annual. The stunt was under the direction of Miss Ruth Webb, the business manager. A large frame was placed on the stage and the different parts of the book were explained, tableaux of the different organizations were given.

Miss Helena Betcher is editor-in-chief of the annual this year. The rest of the staff includes Misses Josephine Rink, Marian Appleby, Susanne Rinehart, Elson Pires, Paulina Tull, Eleanor Dinsmore and Ruth Webb.

Miss Ryman Talks to Parent-Teacher Association

Miss Ryman, the public school nurse, addressed the parent-teacher meeting of the Lafayette school yesterday afternoon on the phys-

ical condition of the school children. She talked on what the children lack and how best to provide for their needs. A delightful musical program was also given by three girls from the Illinois Conservatory of Music. The girls, Miss Bradley, Miss Armstrong and Miss Goveia gave violin and vocal solos with the latter as accompanist.

During the last part of the meeting refreshments were served and a social time enjoyed. The teachers of the school and the officers of the association were the hostesses for this month.

Mrs. Rose Hostess to Catholic Ladies' Aid

Mrs. John E. Rose entertained the members of the Catholic Ladies' Aid society yesterday afternoon at her home on West Lafayette avenue.

The afternoon was pleasantly spent in playing euchre. There were fifteen tables of guests present. Following the playing refreshments were served.

Miss Miller Is Hostess at Bridge

Miss Willa Miller was the hostess at a charming bridge party given at the Peacock Inn yesterday afternoon in honor of Miss Lura Wiswell. The Blue Room of the Inn was tastefully decorated with autumn foliage and fall flowers and the score cards and favors carried out the Halloween idea. Nine tables of guests were invited and after the hours of playing, an afternoon luncheon was served.

U. C. T. Women Guests in Springfield

The members of the U. C. T. Woman's club drove to Springfield yesterday and were guests at the home of Mrs. Gerald Taylor on South Seventh street. Mrs. Taylor formerly lived here and was a member of the club.

The ladies were Mrs. Taylor's guests at a delicious luncheon served at noon.

In the afternoon a short business session was held and the rest of the time was spent in a social way.

Organize Girls Club at High School

A girls' club is being organized in the Jacksonville High school and one hundred and fifty-five members have already signed up. They will meet a week from today and elect officers for the organization. Miss Rossiter has been selected faculty advisor and it has been planned to meet every other week. This will provide for one business meeting and for one social meeting each month. The girls' club has not as yet been given a name but this too will be looked after in the next meeting. This is an organization that has long been needed in the high school and it is fully sponsored and encouraged by the faculty.

Illinois College Dramatic Club Holds Banquet

The Dramatic club of Illinois college enjoyed its regular annual banquet at the Peacock Inn last night with forty-two members present. This affair is given each year by the old members of the club and in this instance was informal, with no speeches. The club members discussed the candidates for the club, which tried out recently, and a number of one-act plays. There are twelve members that will probably be accepted, but the list has not been finally decided upon.

The club discussed seven plays last night, three of which will be chosen and presented by the Dramatic club. They are all one act plays and will be given in the same evening.

The following is a list of the plays:
The Elopers, W. S. Maugham.
The Best Man, Eleanor Crane.
Own' To Maggie, Elizabeth McCadden.
Modesty, Paul Hervieu.
Rosalie, Max Maurey.
Lend Me Five Shillings, John Morton.
The French Maid and the Phonograph, Madeline Bannum.

FACTIONS IN RAIL CONTROVERSY ARE SILENTLY ALERT

(Continued from Page One)
postponing further wage cuts—would be the basis of discussion.

Fighting for Its Life.
Board members admitted that they realize the board really is fighting for its life and that much of its future depends on its ability to handle the present situation. In connection of with the possibility of this conference averting a strike, it was pointed out, however, that many railroads have announced positively that the group proposal is impossible in their opinion while few labor leaders have expressed very warm approval of it.

In this connection Samuel O. Dunn, editor of Railway Age, issued a statement tonight following a conference with local rail heads denouncing the plan as "involving a complete surrender by the roads to the labor unions." The statement said the labor leaders' opposition to the plan was a bluff as it was exactly what the unions want.

Possibility of immediate steps to bring about the labor board hearing on the proposed ten per cent wage cut which the roads recently announced they would seek was reported in rail circles but locally no action has yet been taken to this end. Informal meetings of presidents of railroads entering Chicago are being held almost daily however, and it was said that definite announcements would be made shortly.

O. Leak of Franklin was one of the city's visitors yesterday.

BOMB EXPLODES IN AMERICAN EMBASSY

(Continued from Page One)
ers organizations have sent to it, the American embassy in Paris has up to the present answered nothing. Such silence implies that the official world of the United States is powerless before the universal conscience to justify the execution of two innocent men. Let us therefore raise our protest more and more vigorously and unanimously in favor of the unhappy men who have only a few days to live unless the proletariat of the whole world come to their help.

Were Convicted July 14

Denham, Mass., Oct. 19.—Nicola Sacco and Bartolomeo Vanzetti were convicted here on July 14 of murder in the first degree for the killing of a paymaster and his guard in a payroll robbery at Braintree in April 1920. The evidence turned on the question of identity, counsel for the men advancing alibis. One attorney charged that they were arrested because they were radicals. The trial attracted wide attention.

The men were admittedly radicals and found followers in many places who contributed to a fund, said to have totalled \$60,000 for their defense.

Motions for new trials are pending before the superior court. Exceptions taken at the trial also are to be filed and the court has deferred sentence until November 1, pending such action.

Public Sales

Pure Bred Stock Sales, also farm sales. No sale too small or too large. The only Auctioneer in Morgan county holding civil service certificate. Special attention to all pure bred sales. Will sell any size farm sale for \$10. Satisfaction guaranteed or no pay.

A few Pure Bred Poland Chinas for sale at all times.

USE SLOAN'S TO WARD OFF PAIN

LITTLE aches grow into big pains unless warded off by an application of Sloan's. Rheumatism, neuralgia, stiff joints, lame back won't fight long against Sloan's Liniment. For more than forty years Sloan's Liniment has helped thousands, the world over. You won't be an exception. It certainly does produce results. It penetrates without rubbing. Keep this old family friend always handy for instant use. Ask your neighbor. At all druggists—35c, 70c, \$1.40.

Sloan's Liniment (Pain's Enemy)

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow lips, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit, 15c and 30c.

business. However, before noon the weather cleared and in the afternoon the visitors to the business district both from Jacksonville and surrounding territory were numbered by the hundreds. A number of the stores kept a list of visitors and these records show that many patrons came from Scott, Pike, Cass and Greene counties. The sales days have been thoroughly advertised and the people who visited the various stores found the specials exactly as advertised, together with a great many other excellent money saving offerings.

The sale will continue thru today and a still larger number of visitors is expected, both on account of the sale and the automobile show.

The Special Offerings.
The list of special bargains which by no means includes all of the offerings, is as follows:

C. C. Phelps Dry Goods Co., blankets; Andre & Andre, carpet sweeper; Rabjohns & Reid, pure aluminum special; Breeden & Dorand, men's suits; Myers Brothers, dress shirts; Shop-Aid, sugar; Louis L. Horen, overalls; Shanken's store, ladies' coats; F. J. Waddell & Co., ladies' and misses' suits; Cully Coffee Co., coffee; Brady Brothers, butcher knives; Tom Duffin, overcoats; Lukeman Clothing Co., underwear; Mathis, Kamm & Shibe, felt boot combination; Herman's Georgetown blouses; H. J. Smith, pattern hats; Faugst Brothers, radiators for autos; Peacock Inn, candies; T. M. Tomlinson, neckties; Brown's Business College; Schram & Bahrman, knives and forks; Dorward's Meat Market, picnic shoulders; Barr's Oyster House, oysters; Long's Pharmacy, liniment; Loop Meat Market, lard; J. Bart Johnson, player pianos; Coover Drug Co., beauty treatments; Shadd Brothers, work shoes; J. F. Shreve, bath soap; Russell & Thompson, cuff buttons; Widewave, fraternal, patriotic, military and semi-military organizations; Birmingham and many from other cities. In addition to the national guard units, there will be a guard of 1,000 members of the American Legion in uniform and a special guard of honor composed of veterans who were wounded overseas. The grand marshal of the parade will be Brig. Gen. R. E. Steiner.

Another feature of the parade will be the 67 young women representatives of the different counties of the state, selected for their beauty and popularity, each of whom will have an elaborately decorated automobile in the parade. The president will make the principal formal address of the day in Capitol Park. A luncheon will be tendered him at the Tutwiler Hotel where several hundred citizens will be present.

Appears at Three Functions.
During the afternoon the president will appear at three functions and will make short informal talks at each one. He will attend the inauguration exercises of Birmingham-Southern College where the degree of L. L. D. will be conferred upon him. The corner stone of the new \$1,000,000 **Memorial Temple of Music**, at Pike, Calhoun, Schuyler Scott, Jersey, Macoupin and Morgan.

Charles A. Johnson is the Morgan county representative and the other bankers present from the district yesterday were Fred Salm, Nauvoo; E. F. Crane, Mt. Sterling; M. R. GASOLINE PRICE NOW
LOW IN CASS COUNTY
Autoists who are familiar with gasoline market conditions in Cass county are regretting just now that they are not residents. At Ardenville, gasoline is retailing at 16c a gallon and in Beardstown the price is several cents lower. The cut rate also applies to several other towns in Cass county, although not all of them. The condition is said to be the result of a price war between producing companies.

RESIDENT WILL VISIT BIRMINGHAM

Company With Mrs. Harding
Will Attend Ceremonies Observing
Fifty Years Progress of
Southern City.

Birmingham.—(By The A. P.) Birmingham's birthday party, celebrating the fiftieth anniversary of the city, will be made an greater occasion thru the official visit of the President and Mrs. Harding to the city since the inauguration. The celebration will be featured by the historical pageant depicting the fifty years of the city's history and stressing the fact that Birmingham is the largest city of its age in America, being the only city in the 200,000 class which was founded after 1790, and one of the only cities of its size which were not in existence during the Civil War.

The celebration will continue around the entire week. October 4 to 29 but the biggest day will be October 26 when President and Mrs. Harding will be the official guests of the city and state. Assurances has been given Senator Underwood by the President that he will remain in Birmingham practically 24 hours and that he will participate in all the functions and ceremonies which the committee has arranged in his honor.

Arriving on a special train from Washington at an early hour on the morning of October 26, the president will be met at Pell City by a committee of prominent citizens of Birmingham and Alabama. Upon his arrival he will head the parade in which he will participate practically all the day. Civic, fraternal, patriotic, military and semi-military organizations of Birmingham and many from other cities. In addition to the national guard units, there will be a guard of 1,000 members of the American Legion in uniform and a special guard of honor composed of veterans who were wounded overseas. The grand marshal of the parade will be Brig. Gen. R. E. Steiner.

Another feature of the parade will be the 67 young women representatives of the different counties of the state, selected for their beauty and popularity, each of whom will have an elaborately decorated automobile in the parade. The president will make the principal formal address of the day in Capitol Park. A luncheon will be tendered him at the Tutwiler Hotel where several hundred citizens will be present.

Mr. and Mrs. James Self and daughter, Nelle of Jacksonville and Mr. and Mrs. W. C. Carter were Saturday guests of Mr. and Mrs. W. A. Reed.

ITALY HAS FEW UNEMPLOYED

Rome. (By The A. P.)—While the United States seems to be in a crisis of unemployment with the number of unemployed persons amounting to millions, Italy, which is generally an overcrowded labor market, had but 388,744 this summer.

At the same time, there are a great many sporadic labor crises in various parts of the country and, from time to time, whole industries seem to close their doors at a moment's notice. The metallurgical industries of Turin have faced crisis after crisis but manage to tide them over. The textile industries of Northern Italy, too, have had their periods of sickness. The workers recently accepted a reduction of 15 per cent in their wages.

At Trieste, there is much unemployment. A reduction of 20 per cent in wages was accepted by the workmen so that orders could be obtained. The workmen were told that by next July there would be gradual reductions until the total would reach 50 per cent.

We now have the following fall and winter apples on hand: Jonathan, Grimes Golden, Northern Spy, Baldwin, Ranbo, Genitan, Roman Beauty, York Imperial and Russet, which we are offering to consumers at very attractive prices. Call today while we have all varieties to select from. Quality never was better. W. S. Cannon Produce Company. Both phones 197.

VISITATION DAY AT CENTRAL CHRISTIAN

Wednesday, Oct. 19, 1921 marked the seventh annual Visitation Day of the Central Christian church. During the afternoon about one hundred members went out by twos to call upon each member of the church.

The object of this day is first to enter each home represented by the church for the purpose of making a social call. There is no solicitation for anything except increased interest in the church's activities; second, the visitors

leave in each home a neatly printed card which has upon one side a picture of the church and the church calendar.

On the other side of the card are the subject of sermons to be preached by the pastor, M. L. Pontius the next five months. The visitors assembled at the church at 6 o'clock p. m. for a luncheon furnished and served by the Pastoral Helpers. Reports were given and plans discussed for the church work of the autumn.

PLANS COMPLETED FOR STADIUM DRIVE

University of Illinois Students of Morgan County Have Made Final Arrangements — Brief Description of the New Stadium.

Plans have just been completed in Morgan county for launching the University of Illinois stadium and recreation field drive. All over the United States on October 23, the assembly call will be issued to all Illini clubs, and at these assemblies the stadium will be explained and the general outline will be given for co-operation with the university in staging the drive among the alumni and former students.

The Morgan county Illini club is open to all former students and alumni. The assembly of the Morgan county club will be held at 8 o'clock, Saturday evening, October 23, in the Jacksonville Chamber of Commerce rooms. This will be a meeting to start the enthusiasm, in fact it will be an old time pep meeting. No solicitations will be made at this meeting.

Harlan Williamson is the county chairman in charge of the drive and the following captains will assist:

William Floreth, Jr.
Chester Hemphill.
S. Dawson Darley.
Mrs. Roy Scott, all of Jacksonville.

M. Greenleaf, Alexander.
Wilson Smith, Waverly.
W. Dodsworth, Franklin.
L. S. Hess, Chapin.

Each of these captains has ten persons to solicit and receive pledge cards. All of the soliciting must be done between November 1 and 5. Each captain will report his results every night to the county chairman, who in turn will report to headquarters at Champaign.

Amount of Pledges.

Solicitations must be not less than \$100. This pledge entitles the person to a seat in the grand stand of the new stadium. Each seat will bear a plate engraved with the name of the donor and will be his to use at all games and contests. Two hundred dollars, or as much more as possible, is the honor quota per individual. The amounts of the pledges can be paid in semi-annual installments of \$10, beginning January 1, 1922.

This is a proposition in which the whole state should be interested, for it will be a credit to the university and a center of greater activity and higher physical education. This is to be not only a stadium, but a recreation field as well, with sixty basket ball courts, indoor baseball, ice skating, swimming pool, etc.

Besides being a valuable addition to our state the stadium will be a memorial to the Illinois men who fought in the great war. The Memorial hall will be supported by pillars each one dedicated to a fallen hero. The pillars can be subscribed for by a gift of \$1000. Whether subscribed for or not, however, each column will bear the name of one of Illinois' fallen heroes.

The University of Illinois Memorial stadium will be the center of a 100-acre recreation field. The total cost of the recreation field including the structure shown above, will be \$2,500,000.

Description of Building.
The stadium will extend 1,000 feet north and south 650 feet east and west, and will provide seats for 75,000 spectators. The seats will be concentrated in the two center stands. There will be a ground floor and two balconies in each stand, a feature distinctly unique in stadium construction. There will be no columns in front of any of the spectators, the balconies being supported by cantilevers from the rear.

Each of the two center stands is to be 500 feet long, 160 feet deep and 100 feet high. Within each of these stands there is to be a hall, to be known respectively as the East Memorial hall and the West Memorial hall. In these halls are to be placed the memorial columns and tablets dedicated to the Illini dead. There will be a quarter mile track and a 220-yard straightaway within the stadium in addition to the football field and baseball diamond. Construction of the center stands will begin during the summer of 1922 and will be completed in about one year.

Seven hundred thousand dollars of the amount needed for the recreation field has already been subscribed by the student body. The remaining funds are to be subscribed by the 42,000 alumni in a nation-wide drive which will be put on during the first week of November.

KNIGHTS OF COLUMBUS

Special meeting tonight at 8 o'clock. Important business.
W. T. HARMON, Grand Knight.

NEW YORK GIVES DIAZ WELCOME

NEW YORK, Oct. 19.—General Armando Diaz, who led the armies of Italy to victory in the great war was welcomed to New York today with cheering unsurpassed since the city hailed the military men of America on their return from the battlefields of France.

Thousands of his own countrymen resident in the Italian colonies of the city shouted "viva Diaz, viva Italia" with volatile fervor as the general rode thru three miles of business streets to his hotel. Office workers in downtown skyscrapers showered the procession with confetti, paper and flying streams of ticker tape, reviving memories of the great celebration when the armistice was signed.

The city, state and nation were officially represented in the party that welcomed General Diaz. Six destroyers escorted the general up the bay. This short trip was heralded by the bombing of a cannon salute from Fort Jay and incessant cheers from Italians aboard harbor craft in the flotilla of welcome.

The new battleship Maryland, passing close by, dipped her colors in salute while her crew was drawn up at quarters.

Tomorrow morning he will go to Oyster Bay to place a wreath upon the grave of Theodore Roosevelt, and then devote the afternoon to enjoying the sights of New York. Several Italian societies have arranged entertainments for him before his departure for Washington next Sunday.

KNIGHTS OF COLUMBUS

Special meeting tonight at 8 o'clock. Important business.

LANDIS DISMISSES

OLD INDICTMENTS

Chicago, Oct. 19.—Indictments returned more than four years ago against members of Chicago butter and egg firms were dismissed today by Judge K. M. Landis at the request of Charles F. Clyne, United States district attorney.

The indictments returned under the Sherman anti-trust law, charged that the firm members held daily conferences and fixed the prices of eggs and butter, in advance of all natural causes, Mr. Clyne told Judge Landis today that the butter and egg board had changed its methods and had eliminated illegal actions.

H. H. Lemon of Roodhouse was Booster Day caller in the city yesterday.

WEST STATE PROPERTY GOES TO NEW OWNERS

Hopper and Hofmann Buy Realty Interests of Dr. P. L. Brown and Charles De Silva—A Valuable Piece of Real Estate.

A contract has recently been made whereby Fletcher Hopper and Harry Hofmann will soon become the owners of the Dr. P. L. Brown and Charles De Silva property on West State street. Possession is to be given at a comparatively early date when the deeds will be passed.

The property, which has a frontage of sixty feet on West State street, extends 180 feet south to Morgan street and is one of the few remaining building sites within the business district and is admirably located.

Several years ago Mr. De Silva made a lease with Dr. Brown with the privilege of purchase and then made his own somewhat extensive improvements. In addition to the restaurant during the past year, a building of concrete and wood construction was erected on the west side of the lot.

During the years since Mr. De Silva started the business in a small way it has grown steadily and the receipts were very largely increased. Several months ago, Mr. De Silva announced his intention of disposing of the business and leaving Jacksonville and the deal whereby he disposes of his holdings to Messrs. Hopper and Hofmann is a consummation of his intention.

Mr. Hopper and Mrs. Hofmann expect to lease the restaurant and other building on this property and at some later date their purpose is to erect a building. The whole proposition appealed to them as offering unusual business opportunities and it is for that reason that they closed the contract with Dr. Brown and Mr. De Silva.

Judging from the record that Messrs. Hopper and Hofmann have made in other lines of business in which they have engaged, this will prove a profitable investment for them.

FORMER RESIDENT DIES IN DENVER

News has been received here of the death of Barton Hardy in Denver, Colorado. The deceased was seventy years of age and had been resident in the west for a long period. The family home in earlier years was at the northeast corner of College avenue and West streets. A further notice concerning Mr. Hardy's death will be made in a later issue.

MYERS BROTHERS

Presents an Exhibit Extraordinary

of Fall & Winter

Kuppenheimer Overcoats of Imported Fabrics

An exhibit of garments distinctly English in design, in cut and draping. Handsome woollens of a quality—colorings and weaves—such as this country has never produced. The finest products of the foremost English and Scottish mills. Exquisite shadings of blue and green and gray—wondrous plaids and herringbones—heavy, soft, luxuriously warm clothes with fancy, brilliant patterned backs. Great town coats, ulsters, motor-coats, fashioned and crafted by The House of Kuppenheimer. The tailoring and trimmings reflect the pride and fifty-year traditions of this celebrated house. Prices are based on present, lowered levels and are particularly attractive for goods so exclusive and high in quality.

The town will talk of this exhibit
of imported coats for many a moon

MRS. ARNETT LIVED TO REMARKABLE AGE

Former Resident of This City Died in Litchfield—Lived More Than a Century.

Mrs. Nancy Adeline Arnett died at St. Francis hospital in Litchfield Tuesday as the result of paralysis. Mrs. Arnett was for many years a resident of Jacksonville and at the time of her death was a little more than 100 years of age.

The deceased left Jacksonville to be with her sister, Mrs. Matilda Young of Litchfield, who is 94 years of age. Mrs. Arnett was related to Thomas Arnett, one of the earliest residents of Jacksonville and whose name appears in the abstract to the title of a great deal of Jacksonville properties. Mr. Arnett was the first justice of the peace in Morgan county and was one of the owners of the land on which Jacksonville was laid out. He sold his first claim to John Leeper.

Mr. Eames' record or Morgan county happenings mentions that Mr. Arnett in 1820 erected a home on land which is now occupied by the reservoir at Jacksonville State hospital.

GAVE GREAT MUSICAL PROGRAM

Mrs. George Primrose and E. B. Platt, one of the leading men with the Primrose Greater Minstrels, are in the city for a short visit with C. C. Carter and family, and last night attended the Auto Show and Merchants' Exposition.

When they reached the booth of the Brown Music company Mr. Platt dropped in and, casually seating himself at a piano, staged an impromptu concert that for a time threatened to crush in all the booths in the vicinity so anxious were the crowds to obtain a glimpse of the performer.

Mr. Platt is an accomplished singer and player, and generously responded to the repeated entreaties of the enthusiastic crowd.

THIS IS FINAL DAY OF FARMERS INSTITUTE

Afternoon and Evening Sessions Held Wednesday at Litchberry —Today's Sessions to be Held at Lynnville.

The second day's session of the Morgan County Farmers institute were held Wednesday at the Baptist church in Litchberry. Senator C. C. Pervier of Sheffield and Mrs. J. M. Daniels of Greenville made addresses at both afternoon and evening sessions. The attendance at the afternoon session was good and at night a much larger audience greeted the speakers.

A community supper was served at the church at 6 o'clock. The menu included fried chicken and other good things to eat and was served in a faultless manner by the 175 or more persons present. The committee in charge of the supper included S. H. Crum, Mrs. C. A. Beavers, Mrs. Warren Daniels, Mrs. Frank Ogle, L. H. Maul and F. J. Henderson.

At the afternoon session Senator Pervier spoke to the men on "Soil Conservation" while Mrs. Daniels' evening theme was "Woman in the Community," and she gave an interesting account of what women have done and are doing in various communities for the public welfare.

Senator Pervier's address was preceded by a vocal solo by Miss Self, with Mr. Wesner as accompanist. The senator's theme was "State Legislation as it Affects the Farmer." He gave an outline of some of the laws which have been passed and others which are now pending in which the farmers are especially interested.

Among local people in attendance at the Wednesday sessions were County Agent G. B. Kendall and Mrs. Kendall, Mr. and Mrs. J. Rucker, Mr. and Mrs. E. Hembrough.

This is the final day of the institute and there will be evening sessions at the Lynnville M. E. church. Mrs. Daniel will speak only in the afternoon.

FOR COMMISSIONER

As the Democratic candidate for county commissioner, I will appreciate your vote at the polls. If elected I will seek to do my duty at all times.

Robert S. Hamilton.

FUNERAL OF CHILD IS HELD AT ROODHOUSE

Five Year Old Son of Mr. and Mrs. Fred Hoskins Buried Tuesday Morning—Other Roodhouse News.

Roodhouse, Oct. 18.—Funeral services held at 11 o'clock Tuesday morning for Frederick Hoskins, Jr., five year old son of Mr. and Mrs. Fred Hoskins. The services were held at Fernwood cemetery and were private. The child

passed away at the family home, the old Shields place northwest of the city, at 5 o'clock Saturday morning after a week's illness of diphtheria.

The deceased is survived by his parents, two sisters and three brothers, Orlando, Forrest and John Charles, Dorothy and Margaret Hoskins.

Frederick Orlando Hoskins was born Sept. 12, 1916, at Hillview and passed away at the age of 5 years and 27 days.

"The Best Place to Trade After All"

Mrs. Myra Moore and daughter, Mrs. M. E. Gilbert, Mr. and Mrs. Charles Moore, all of Jacksonville, Mr. and Mrs. Harvey Osborne and Mr. and Mrs. Charles Sullivan of Murrayville were guests Sunday of Mr. and Mrs. James Sisk.

In a snappy game of football at Legion park last Saturday afternoon between class teams of the Roodhouse schools, the junior highs of the 7th and 8th grades administered defeat to the freshmen by a score of 13 to 0.

The Roodhouse high school football team played a return game at Pleasant Hill last Saturday afternoon, defeating the Pike county boys by a score of 21 to 0 in a slow game. The Roodhouse team evidently felt that they had an easy victory and failed to show the spirit and enthusiasm of the preceding Saturday, when they defeated the same opponents 117 to 0. White Hall also played here Saturday afternoon, Roodhouse winning by a score of 6 to 0.

Mrs. Mary Arnold and daughter Lucille and Mrs. J. R. Baker took dinner with Mrs. James Sink and sister, Miss Hallie Rimbley Monday.

A pleasant social event took place at the home of Mr. and Mrs. W. A. Jolley Saturday evening, being a shower given by Miss Vivian Jolley for Mrs. David E. Thompson. About 25 young ladies were guests on this occasion and spent a delightfully informal social evening with the newly-weds, who left Sunday for their future home in Mexico City. Many beautiful gifts were received, including silverware and cut glass. Refreshments of ice cream and cake were served. One gift was a little book in which was written by each of the guests a bit of advice to the newly-weds, which if carefully observed insures a continued happy matrimonial career for the recipients.

PRESIDENT WILL VISIT BIRMINGHAM

In Company With Mrs. Harding Will Attend Ceremonies Observing Fifty Years Progress of Southern City.

Birmingham.—(By The A. P.)—Birmingham's birthday anniversary of the city, will be made an even greater occasion thru the first official visit of the President and Mrs. Harding to the South since the inauguration.

The celebration will be featured by the historical pageant depicting the fifty years of the city's history and stressing the fact that Birmingham is the largest city of its age in America, being the only city in the 200,000 class which was founded after 1870, and one of the only few cities of its size which were not in existence during the Civil War. The celebration will continue throughout the entire week October 24 to 29, out the biggest day will be October 26 when President and Mrs. Harding will be the official guests of the city and state. Assurance has been given Senator Underwood by the President that he will remain in Birmingham practically 24 hours and that he will participate in all the functions and ceremonies which the committee has arranged in his honor.

Arriving on a special train from Washington at an early hour on the morning of October 26, the president will be met at Pell City by a committee of prominent citizens of Birmingham and Alabama. Upon his arrival he will head the parade in which will participate practically all the civic, fraternal, patriotic, military and semi-military organizations of Birmingham and many from other cities. In addition to the national guard units, there will be a guard of 1,000 members of the American Legion in uniform and a special guard of honor composed of veterans who were wounded overseas. The grand marshal of the parade will be Brig. Gen. R. E. Steiner.

Another feature of the parade will be the 67 young women representatives of the different counties of the state, selected for their beauty and popularity, each of whom will have an elaborately decorated automobile in the parade. The president will make the principal formal address of the day in Capitol Park. A luncheon will be tendered him at the Tutwiler Hotel where several hundred citizens will be present.

Appears at Three Functions. During the afternoon the president will appear at three functions and will make short informal talks at each one. He will attend the inauguration exercises of Birmingham-Southern College where the degree of L. L. D. will be conferred upon him. The cornerstone of the new \$1,000,000 Masonic Temple of Birmingham will be laid during the afternoon and the president will make a short address. Later, he will go to the dedication exercises of Underwood Park which is named in honor of the senator from Alabama, at whose request President Harding is making the trip to Birmingham.

At a formal banquet at the Country Club in the evening, the president and Mrs. Harding will be guests of honor and the affair will be attended by a large number of prominent women as well as men. The president will be introduced by the governor of Alabama, Thomas E. Kilby. The ball which will follow and which concludes the program for the visit of the president, will be a notable social affair in the life of Birmingham and will be attended by prominent people from all over Alabama and adjoining states.

The president and Mrs. Harding, as well as the other members of the presidential party, are expected to board their train for the return to Washington shortly after midnight and the train will leave at an early hour on the morning of October 27.

Four performances of the historical pageant will be staged in which 1,500 persons will participate and there will be a chorus of 500 trained voices. Several hundred dancers will feature the presentation of the pageant. Massed bands and orchestras will provide such music as may be desired.

Mr. and Mrs. James Self and daughter, Nelle of Jacksonville and Mr. and Mrs. W. C. Carter were Saturday guests of Mr. and Mrs. W. A. Reed.

ITALY HAS FEW UNEMPLOYED

Rome.—(By The A. P.)—While the United States seems to be in a crisis of unemployment with the number of unemployed persons amounting to millions, Italy, which is generally an overcrowded labor market, had but 388,744 this summer.

At the same time, there are a great many sporadic labor crisis in various parts of the country and, from time to time, whole industries seem to close their doors at a moment's notice. The metallurgical industries of Turin have faced crisis after crisis but manage to tide them over. The textile industries of Northern Italy, too, have had their periods of slackness. The workers recently accepted a reduction of 15 per cent in their wages.

At Trieste, there is much unemployment. A reduction of 20 per cent in wages was accepted by the workmen so that orders could be obtained. The workmen were told that by next July there would be gradual reductions until the total would reach 50 per cent.

We now have the following fall and winter apples on hand: Jonathan, Grimes Golden, Northern Spy, Baldwin, Ranbo, Genitan, Roman Beauty, York Imperial and Russet, which we are offering to consumers at very attractive prices. Call today while we have all varieties to select from. Quality never was better. W. S. Cannon Produce Company. Both phones 197.

AMERICAN LEGION NEWS NOTES

To make former doughboys feel at home, unique plans were laid for the Nebraska state convention of the American Legion at Fremont. Military police were stationed about the city that the soldiers might have the pleasure of blithely disregarding the red arm bands of one-time authority. Officers in Sam Brown belts and shiny puttees were conspicuous, but privates passed them by, cigarette in mouth, with a nod of recognition answering for the old snappy salute. Wooden shoes clattered over cobblestones to bring back memories of French villages and to strengthen the illusion, small boys in street corners pleaded: "Give me one cegetret, please?" Signs on tumble-down buildings advertised "Vin Blanc" and "Vin Rouge" and other all but forgotten commodities of the French countryside.

C. R. Baines, general manager of the American Legion weekly since February, 1920, has submitted his resignation, effective November 12, to become vice president and business manager of the Army and Navy Journal. The business and editorial policies of the weekly were approved by a surveying committee which last week made a thorough investigation of the organization's national publication. Daniel F. Steck, national executive committee member, of Iowa, was chairman of the committee. In face of the industrial depression, it was shown, the magazine is making a profit and has virtually wiped out a deficit incurred before the reorganization of the Legion publishing corporation in February, 1920.

Construction of two national hard surface highways, one from the Atlantic to the Pacific and the other from the Gulf of Mexico to Canada, is urged upon the government in a plan originating in Denver, Colo. The national organization of the American Legion has been asked to endorse and support the proposition, the originators pointing out that it would give work to thousands of unemployed ex-service men.

Marshal Foch has been voted a member of George Washington post, the American Legion, Washington, D. C., the first Legion post in the world to receive a charter. The post held that the marshal was eligible because he had commanded American troops in action. A motion to make the generalissimo's dues 5,000 centimes was voted down, however.

Another local chamber of commerce which will not be in harmony with the national organization's fight against adjusted compensation for ex-service men is that of Auburndale, a suburb of Toledo, O. The Chamber of Commerce there has just been organized by members of an American Legion post. Formation of the commercial body was undertaken by the Legion men, they said, purely as "part of our duty to the community."

For the burial of one of their war dead, American Legion men of Marshfield and North Bend, Ore., posts were required to travel seven miles in an open boat and then hike two miles with the casket over a muddy road in a drenching rain. All roads were impassable for the stage which is the sole means of travel.

Use of one of the shipping board's wooden "war vessels" tied up at a wharf for more than a year as a home until permanent quarters can be constructed is being sought by Rainier-Noble post of the American Legion, Seattle, Wash.

To honor Marshal Foch and other distinguished visitors, a squadron of six mail airplanes will fly from Washington to Kansas City during the American Legion national convention there this month.

by order of Postmaster General Hays.

Unable further to witness the suffering of her invalid husband, an ex-service man, Mrs. Madelyn Taylor, living in the country near Little Rock, Ark., published in newspapers an offer to sell herself into servitude to get hospital treatment for him. American Legion Posts of Little Rock immediately brought Taylor to a hospital and ordered treatment for him. They will foot the bills.

A strong French heritage of the A. E. F. was responsible for a touching scene during the Oklahoma convention of the American Legion. Placing a gold medal for service on H. B. Fell, retiring state commander, James A. Ingraham, Cleveland, heard shouts of "Kiss him, kiss him" from 1,100 delegates present. He did—on both cheeks.

Wounded in action and left permanently maimed, John Hansen was only able to do a house-cleaning job found for him by the American Legion employment bureau at St. Paul, Minn. But the buddy behind him in the line had been out of work five weeks longer than he had, and Hansen surrendered the position to him.

President Harding was commended for calling the international conference on limitation of armaments and American delegates to the meeting were urged to use every effort to make disarmament a fact, in resolutions adopted by the Oklahoma department of the American Legion in state convention.

PROMINENT RAILROAD MAN VISITS WHITE HALL

W. P. Garabrant, Road Foreman of Engines on Pennsylvania Lines, Makes Annual Visit—Other White Hall News.

White Hall, Oct. 18.—W. P. Garabrant has decided to shorten his annual vacation visit and leave Thursday on his return to Jersey City on account of the strike situation. Mr. Garabrant is road foreman of engines on the Pennsylvania lines, and has ten assistant foremen and firemen instructors under his charge, together with a force of five stenographers. He says that in the event of a strike it would keep the locomotive departments busy until October 30th to take care of the locomotives for a possible strike of idleness. Mr. Garabrant visited W. P. Strunk of Roodhouse, the retired C. & A. engineer on this visit and it was a rare treat to hear the voice of a man who began his railroad career on the Pennsylvania in 1858, which recalled the days of Andrew Carnegie as a young railroad man.

An infant welfare movement has been inaugurated at White Hall thru the public-spiritedness of Dr. W. W. Billings. It is located in the clerk's room of the city hall, and a clinic is held each Tuesday afternoon that is free to those who were unable to pay for such service. Dr. Billings was formerly engaged in infant welfare work in Topeka, Kansas, and before coming to White Hall had in mind the inauguration of such a public welfare service. The use of the city hall has been devoted to the work free of charge by the city council. The first clinic was held last week, and a number have since applied for this week's clinic. The work involves mainly infant feeding and physical examination, and while having nothing to do with the better babies conference in connection with the Greene county fair is happily inaugurated at a time when the splendid influence of the county baby conference will weigh heavily in favor of the local better babies enterprise. The work cannot get under best headway until the services of a community nurse are available, who will visit the homes and advise reporting to the clinic. Results may soon be expected on the community nurse proposition with the splendid backing of the boards of education and the local Red Cross. The Red Cross is an active body, and is doing work in the city hall on Monday and Wednesday of each week.

H. C. Wilhite was up from Alton Monday. He is not the frequent visitor that he formerly was, but he retains faith and pep in good roads. Two years ago he organized the Lone Star route in conjunction with A. L. Carter of Medora, and in that time he has completed the organization from Chicago to Brownsville, Texas, 1,600 miles, of which 1,135 miles are paved. The route leaves the hard road at Carlville and takes it up again at Medora, a stretch of 45 miles. At the recent annual convention of the Mississippi Valley Highway association, Mr. Wilhite was tendered a vote of thanks for his services to that organization.

THE

MAXWELL

invite you to visit their booth during the

AUTOMOBILE SHOW, OCT. 19, 20, 21, 22

Note these few brief Maxwell superiorities

If we can have your attention for just a few moments, we will explain in a non-technical manner terms used by the general public, referring to the different parts of an automobile.

First, we notice the automobile running along a very rough road. We can see the wheels bounding up and down, but the occupants are enjoying every comfort of a pleasant ride as though they were riding on a very smooth road. "Compensating underslung spring action is the answer." "Every Maxwell has it."

Next, we follow the car to a sandy road; the ruts are very deep. We turn the curve with ease and if we wish to release our hold on the steering wheel, the front wheels will stay in their paths. The wheels do not turn off the road when they come in contact with ruts or road obstructions, as the car ahead does. We have absolute control, ease and comfort—no fatigue. "That's the irreversible steering gear." "You'll find it on every Maxwell."

Now we stop to look over the beautiful scenery, or have lunch at the farm house. On returning to the car we step in, press the button and we are ready to start. With gears in first speed we gradually let the clutch in, and, with the velvet get-a-way of a passenger train we start on our trip—no jerking, no clutch grabbing. That is a sure sign of the "Cone clutch running in oil." "It's on the Maxwell."

We also note there is no heat coming off the motor to mar the pleasure of our trip; no stopping to fill up with water or let the engine cool off. "There's a reason." "It's the thermo syphon cooling system." "They use it on the Maxwell."

We drive along an even stretch of concrete road, out in the country—no danger, or sheriff, so we "step on it" and the response is surprising. It speeds on until objects blur before our vision. That surely was a thriller! But stop and think the reason why. Of course you know it is "power." It's surely in the Maxwell.

Three superior models are here--the Roadster, Touring and Sedan

And the Celebrated One and One-Half Ton Maxwell Truck

The Maxwell Truck Record

Maxwell Motor Truck finishes world's record transcontinental run from San Francisco to New York 3428.7 miles through 11 states and across 21 mountain ranges; the Maxwell 1½ ton truck in a total time of 17 days 8 hours and 29 minutes. New records were made on practically every kind of truck performance.

This Maxwell Motor Truck with a load of 1½ tons made a daily average of 197.8 miles at an average running speed of 16.5 miles per hour. At no time did the maximum speed exceed 20 miles per hour. Through mud of mountains, and ledges of rocks where there was practically no road, pulling through heavy gumbo in Nebraska, Iowa and Illinois; driving slow through cities, the average mileage per gallon of gasoline was 12 miles and the average of oil was 326.5 miles per gallon.

Some interesting statistics have been secured from this world's record transcontinental run. At one place the high altitude of 8300 feet was attained. The motor revolved 17,380,229 times. The wheel revolved 1,974,739 times. The battery timer operated 34,300,454 times.

The entire trip was made on 4 tires with only 1 puncture—that being all the tire trouble encountered on the trip. The GENERAL CORD TIRE, said Mr. Willis, will stand in his opinion more abuse than any automobile tire on the market.

CONFERENCE REPORT HAS BEEN PUBLISHED

Official Record of Methodist Gathering Shows Some Interesting Facts.

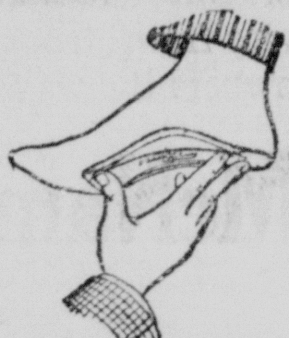

The Illinois Methodist conference adjourned its ninety-eighth annual session, September 12, at Jacksonville. The journal and year book of 200 pages, was received by its members on October 12, just one month after adjournment. It is composed in a neat

Everything for Feet

style and edited by Dr. F. B. Madden, secretary of the conference. It not only contains the usual minutes of business and daily record of the conference, but also that of the Laymen's association, together with statistical, historical, Pastoral record, with a review of the year by the district superintendents and college officials; also appointments for the coming year.

Appointments.
There are 295 changes in the Illinois conference, that is, stations or circuits. Last year there were 303 changes, the year before (1919-1920) there were 312. By combination, by abandonment of country churches, there was a loss of seventeen charges during the past two years. The lay membership, however in the conference is 96,966, an increase of 2,551 over the report of two years ago, with a list of preparatory members, under instruction of 1,333. The number of ages in pastoral appointment, out of 295, is 140, while eighty-five ministers begin a second year in their respective charges. Only forty-four persevered to a beginning of a third year; eleven have finished three years and are beginning a fourth year. There are nine beginning a fifth year, (three of them district superintendents), and four beginning a sixth year, while R. L. Steed at Saybrook, enters upon his ninth year and Dr. J. C. Baker at Trinity, Ind., begins his fifteenth consecutive year.

Women Ministers.
Last year, three local women, licensed preachers, appointed as supplies, in the Quincy district, served in the pastoral relation. This is the first record of such in the general conference of 1920. Des Moines, Ia., enacted a law permitting the licensing of women for the local ministry, though ordination is held in abeyance.

Jacksonville Methodists and others, know Mrs. J. W. Kettle, whose husband was leader of the Salvation Army some twelve years ago, and who was pastor of the Franklin circuit afterwards. She, with her husband, was assigned this year to a five point work in Pike county, New Salem. Last year, Mrs. Kettle preached at Fowler, while her husband was in charge at Columbus, and also alternated every other week in preaching service at Valley City. At the first place she received \$120, and at the second, \$225, while the family had a good parsonage at Columbus and Mr. Kettle received \$1,200. They are very efficient workers in the church service.

Milton, in Pike county, was served by Marietta Shale, during the past year. Her compensation was \$452 and parsonage, West Point and Baseo, north of Quincy, had as pastor, Mrs. E. W. Scarber. We note in passing that Miss Lily Dimmitt, daughter of Rev. J. P. Dimmitt, now dean of women at Morningside college, Sioux City, Ia., has been licensed to preach. The Baptists, Methodist Protestants, and United Brethren churches have long employed women in ministerial service.

The Retired Minister.
One of the serious problems in ministerial supply, has been how to properly care for the retired and superannuated minister. But gradually, though slowly, the church as a whole, and in its individual conferences, has begun to solve the problem. The long list of preachers' widows in the Illinois conference, (eighty-eight in number), most of them aged, and many of them poor, beside the longer list of men who have been retired, made the problem both serious and pathetic.

The recent conference, through its conference claimant's endowment commission and the conference relations committee, made a division of the retired ministerial claimants into four classes.

First—Those who have preached forty years, of which class there were but sixteen.

Second—Those who had reached the age of sixty-five or more at the time of retirement and of this class there were only thirteen.

Third—Those who have retired because of disability and these numbered twenty-five.

Then there was a fourth class who retired for other causes than service, age or disability, and there were 38 in this class. These do not receive annuity, except as members of the preachers' aid society, a conference insurance organization, or from a special fund, as their needs may appear.

The quarterly payment of \$24 per annum for each year's service up to forty years, was allowed this year. This \$960 is assured as long as the church meets its obligation.

It was to meet this sacred claim that a campaign has been voted in connection with the colleges and schools for \$500,000.

The Ups and Downs of the Itinerancy.
The people of Centenary church and indeed of Jacksonville, are to be congratulated in the appointment of C. Dufay Robertson as pastor. Dr. Robertson is the chairman of the board of conference examiners, a position so ably filled by Dr. J. T. McFarland, former pastor of Grace church; Prof. H. M. Hamill, once superintendent of the public schools in Jacksonville and Dr. W. A. Smith, former pastor of Centenary. He is the author of a series of prose poems, published by the Methodist Book concern, entitled, "Down the Year," and a frequent contributor to the Methodist Review and the Advocate.

Referring again to the conference journal and year book, it is interesting to note the high places and the valleys, along the line of changes in ministerial appointments.

For example, let us follow this circle: D. V. Gowdy went from Centenary to Virginia, Cass county; A. A. Luce at Virginia, went to Park, Bloomington county; A. G. Carmine, who was at Park, gives his time to Illinois Wesley-

an, and is pastor at Wapella, which church has served last year by Olin Lee, who is now pastor at Manchester; W. A. Hoelter goes from Manchester to La Prairie in the Quincy district, and G. W. Holmes, who leaves La Prairie, arrives at Meredosia; Fred Reed, who served the church at Meredosia last year, is now at Bismark in the Danville district. W. E. Keenan is moved from Bismark to Georgetown, where S. N. Wakefield has been in the pastoral service, going this year to Chrisman; while from Chrisman, C. W. Hamond moves to Waverly. F. E. Smith after serving Waverly for six years, goes to Gibson City, whose pastor, J. C. Brown, has moved to Rushville, following T. A. Adams, who is assigned to Homer where C. D. Robertson has been pastor but by episcopal direction, comes to Centenary church in Jacksonville.

Is it any wonder that bishops and district superintendents are so early in life with this checker board game of men and churches? Other circles can easily be figured out, the results of which were undreamed when the game of moving begins at our annual conference. It is truly an exhibition of the ups and downs in the itinerancy.

FIRE DEPARTMENT HAVE OPOSSUM

Animal Captured by John Taylor and William Catherwood Yesterday—Will Provide Feast on Thanksgiving.

Two members of the Jacksonville fire department, Spud Taylor and William Catherwood are the city's prize hunters. They captured a half-grown opossum yesterday by merely walking across the street. Catherwood first saw the animal and an argument arose as to whether it was a dog, cat or rat. They finally decided to investigate and found to their surprise that all their guesses were wrong.

They decided to capture the 'possum alive so they hoisted him into the air by the use of his tail in such a manner that he could not use his teeth. The animal made no attempt however to show hostilities, but lived up to the 'possum tradition and played dead.

Many conjectures have been offered as to how the opossum got there, some thinking that it came in with a load of branches for the auto show, and others think it escaped from some owner's cage. The firemen have decided that no matter how he got there they are going to fatten him until Thanksgiving time and then let nature take its course.

The WEIR Extra-Heat Radiator Does Save Coal

IN the ordinary warm air furnace a very large per cent of the heat generated from burning fuel goes up the chimney simply because no arrangement has been made on the furnace to absorb the heat.

The illustration shows how the products of combustion leave the main furnace and travel thru the WEIR extra-heat drum which absorbs these heat units which ordinarily pass out the chimney and are wasted. The radiating surface of this auxiliary drum is as large as some furnaces. Thus it will be seen that

All the heat saved by the WEIR extra-heat radiator is your reward for having a WEIR in your home.

Ned Lunsinger of Peoria was among the callers in the city yesterday.

HENRY R. RATHBONE
VISITING FRIENDS HERE

Well Known Republican is Candidate for Congressman at Large—Made Address in Virginia Tuesday Night.

Hon. Henry R. Rathbone, prominent republican candidate for congressman at large of Chicago, was in the city yesterday morning greeting his many friends and admirers. He stopped over in Jacksonville on his way to Virginia, where he made a speech last night before the Cass county farmers' institute.

Mr. Rathbone has been in this city several times before, and during the war he delivered a patriotic address at the Northminster church. Three years ago he was candidate for congressman at large and was third in the race. This time he will be subject to nomination at the republican primaries on the second Saturday of April, 1922.

The Rathbone family is important in the historical affairs of the nation. His grandfather, Ira Harris, one time senator from New York, was a close friend of Lincoln. His father and mother were both close friends of that great man, and while engaged to be married, were guests of the president in his box in the theater the night that he was shot by Booth. His father, who was an army officer, was severely wounded in his attempts to protect the president.

Mr. Rathbone has recently been elected to membership in the United States Chamber of Commerce and in the National Economic League. He was also a former president of the Hamilton club of Chicago.

Harold and Miss Hazel James of the north part of the county visited the city yesterday.

Merline Hart and wife were travelers from Waverly to the city yesterday.

Mr. Rathbone has recently been elected to membership in the United States Chamber of Commerce and in the National Economic League. He was also a former president of the Hamilton club of Chicago.

CLAIM THEIR FARM ASSESSMENTS TOO HIGH

Springfield — (By A. P.)—Sangamon county farmers, under the leadership of the county farm bureau, are preparing to go before the state tax commission with the claim that Sangamon county farms are assessed too high. Farms in this county are assessed the highest of all the counties in the state, the owners claim.

Harold and Miss Hazel James of the north part of the county visited the city yesterday.

Merline Hart and wife were travelers from Waverly to the city yesterday.

WILL PAY HONORS TO FALLEN HEROES

Memorial Services to Be Held in Connection With American Legion Convention.

Kansas City, Mo., Oct. 19.—Memorial services for the fallen heroes of the 35th Division and the 89th Division, will be a feature of the reunions of these two organizations which will be held during the big American Legion annual convention here Oct. 31-Nov. 2.

Senator James A. Reed has been invited to deliver the memorial address for the fallen men of the 35th, at the services to be held at Electric Park. Invocations and benedictions will be pronounced by the local clergy, including the Rev. L. Curtis Tiedman, former chaplain of the 128th Field Artillery, Edward E. Pugh, Jr., chairman of the arrangements committee to the reunion is making plans to care for 10,000 veterans of the division.

The 89th Division will hold their services in the big convention hall on eve of the opening day of the convention. Mme. Ernestine Schumann-Heink will sing again to the men of the division as she did just before they embarked for France. Another feature of the assembly of men will be the opportunity given to see themselves in action. Moving pictures taken of the organization in France will be shown. Otis E. Gray, senior division chaplain, Major General William Wright, Frank L. Winn, F. W. O'Donnell and Charles W. Bartlett will speak at the memorial exercises.

The 35th Division was composed of national guard troops from Missouri and Kansas. The 89th Division was formed from selective draft men from the Middle West, chiefly Missouri and Kansas.

LIGHT AND POWER LINE NEARS COMPLETION

Work on the lines of the Arenzville Light & Power Co., has progressed in such a satisfactory way that the job is almost completed. Light is now being furnished Arenzville and within a very short time the current can be turned on at both Chapin and Concord. Twenty miles of wires and poles have been erected and the construction is of such a type that a representative of the state commerce commission recently inspected it and pronounced it one of the best jobs ever done in Illinois. Three phase aluminum wire has been used in the construction and the installation is a protection for 20,000 volt wires. The wires will carry but 6,000. This insures a maximum of protection. The company is expecting to furnish current to the farm homes in proximity to the wires.

SAYS CHLORINE DOES NOT HURT WATER

Decatur — (By the A. P.)—Decatur, according to the state department of health, has one of the best supplies of water in the state, but a few fastidious people object to the use of chlorine. Replying to their complaint, Commissioner Ruthrauff said: "It has been proved that a little extra chlorine gas in the water is beneficial, not injurious. We use chlorine to kill germs that stay in after the water filters thru the sand beds."

Mrs. Fred Markille was a representative of Winchester in town yesterday.

G. P. Canatzy was a city caller from White Hall yesterday.

D. A. R. MARKING HISTORIC TRAILS

Mrs. H. E. Chubbuck, Regent of State Organization Outlines Work That Is Contemplated.

Springfield, Ill. — By Associated Press.—Marking of historic trails, teaching of Americanism and education of the immigrant are among the activities outlined for the next year by the Illinois Daughters of the American Revolution according to Mrs. H. E. Chubbuck, of Peoria, state regent of the D. A. R.

Two trails in Illinois upon which the D. A. R. plans to place markers during the year are the Old Trails Road which crosses the state from St. Louis to Vincennes, Ind., and the Lincoln circuit, the route travelled by Lincoln, Douglas and Ingersoll in attending court in the old eighth judicial circuit.

The Old Trails is a national highway from the Atlantic to the Pacific. Residents along the highway recently appealed to highway officials to include in their immediate paving program the old trail of the pioneers.

The D. A. R. hopes to restore its taverns and preserve its history, Mrs. Chubbuck said.

Other features of the coming year's work as outlined by Mrs. Chubbuck follow:

To establish a perpetual Philippine scholarship for two girls from the islands each year.

Reciprocity between states for the preservation of historic records.

To interest school authorities in the subject of international relations.

Instruction of immigrant women and children in American customs, conservation and thrift.

To collect for Memorial Hall in the new Illinois Centennial building historic state relics.

To prevent, even in small and almost insignificant ways, desecration of the national banner and state flags, by teaching correct uses of flags.

"We should feel an honest pride in knowing that in England and France the flag of the United States is displayed in places where no flag but their own has ever flown before," Mrs. Chubbuck said.

Mr. and Mrs. W. N. Luttrell and T. N. Tulpin were city arrivals from Franklin yesterday.

Mr. and Mrs. Wilson Morris of Orleans were callers in town yesterday.

International

MOTOR TRUCKS

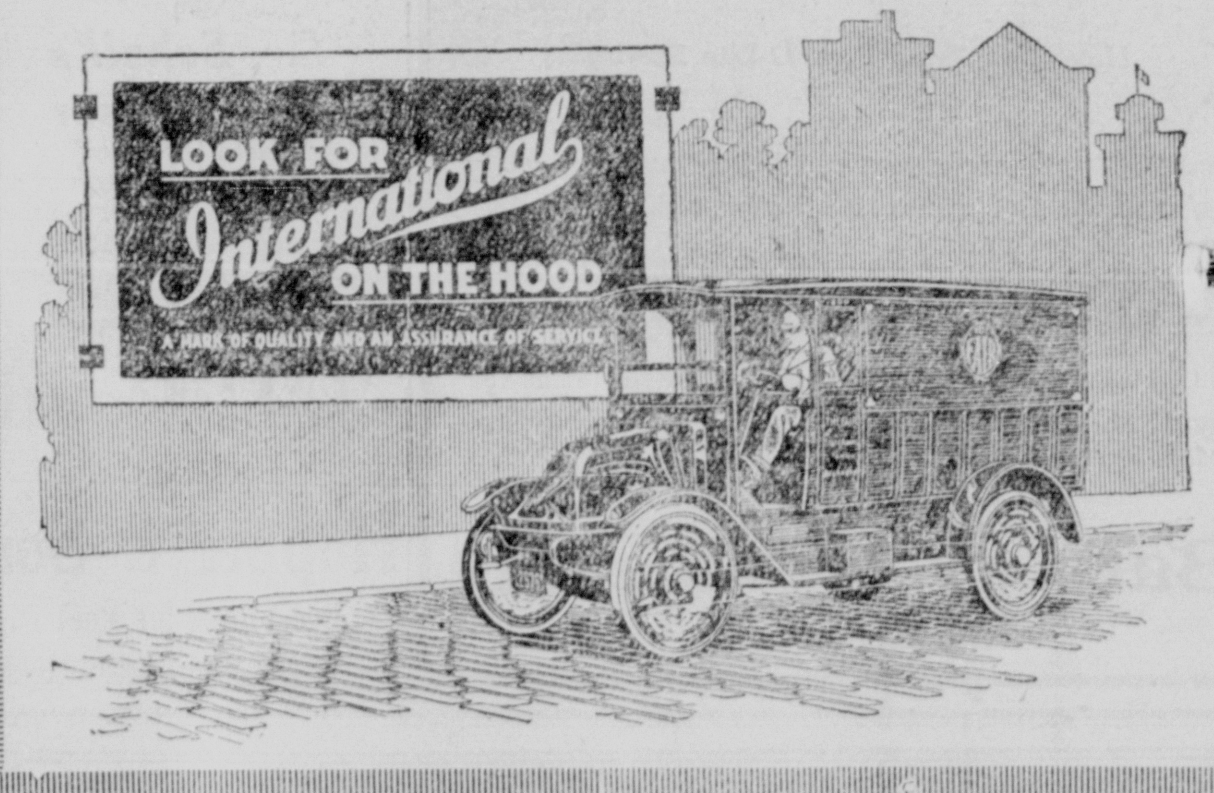

The Infallible Guide to Motor Truck Purchase

The industrial world is full of motor trucks and so-called motor trucks. The International Motor Truck owner, when he adds to his hauling equipment, has a great array to choose from, but experience has taught him not to stray away from dependability. He knows a better course than to experiment with the untried.

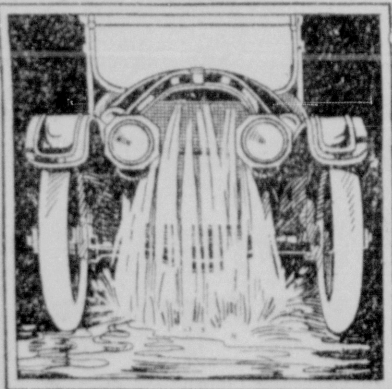

Once International means Repeat International. One of our long established dealers in a great trade center (name furnished on request) has never lost a repeat order from his loyal list of International owners. Plain, unvarnished, everyday service from truck and maker and dealer has pointed out to these owners the way to continued safety and satisfaction.

REO

SPEED WAGON

Has Revolutionized Transportation

Not only has this Speed Wagon changed all methods of city delivery and invaded every field of commercial activity, but it has performed as great a service for the farmer, the stockman, rancher, orchardist and truck gardener.

Today the world is geared to this Speed Wagon—it dominates the field regardless of carrying capacities. Today there are more than 55,000 Reo Speed Wagons in use.

Wherever motor trucks are known this Speed Wagon is known as the best.

Price—always the lowest—is now greatly reduced—\$1245 for the Chassis. And equipment is "Nobby Cord Tires all around."

A Few of the Sixty Points of Superiority in

Reo Six Motor Cars

1—Hollow crank shaft system of lubrication. Usually found in cars of the \$4,000 class.

2—Aluminum body on closed cars with sound absorbing top.

3—50 per cent oversize in all vital parts—the Reo Standard factor of safety.

4—The famous REO SIX MOTOR. We will STACK it up alongside of any motor on the market, bare none; compare its construction with the most expensive cars—cars selling for twice the price. Clean cut, accessible, detachable head construction, perfectly balanced, big valves, four big bronze-backed bearings on the crank shaft, four on the camshaft, positive lubrication, and a carburetion system that saps the last spark of energy out of every drop of gasoline. 50 horse-power at 2000 revolutions per minute. If REO built nothing but motors this REO Six Motor would be the most featured and coveted unit in six cylinder passenger cars.

5—Two universals on the clutch shaft—two on the drive shaft.

6—REO multiple disc dry clutch. Thirteen large friction faces. Standard with REO for 15 years. Reo built and designed.

7—Three unit power plant. Better distribution of weight; greater accessibility to units; shorter drive shaft.

8—Sub-frame construction. Pressed steel members; properly proportioned and reinforced for diagonal as well as vertical and longitudinal stresses. Relieves power units of all road strains.

10—Overhead intake valves (not exhaust). Chrome steel two and one-quarter inches diameter. Located in center of cylinder head. Large diameter of valve is possible only by this method. Stem of intake valve, being cooler, does not expand therefore maintains silence.

11—Exhaust valves fully water jacketed so that tendency to expansion is neutralized. No warping or sticking of valves in a REO.

12—Four bearing crank shaft with all bearings two and one quarter inch in diameter. Every crank balanced for dynamic, as well as static conditions. No vibration at any speeds. Seventy-three square inches main bearing surface or one-third of the total length of the REO crankshaft rest on the four main bearings. This is motor life insurance.

13—Leak proof piston rings. Cost twice as much, but worth it, because compression—hence—powers—is always uniform.

14—Timken bearings in front hubs.

15—All valve mechanism enclosed. Aids lubrication, insures silence, excludes dust and grit. Looks as it is—clean.

16—Every part, radiator to rear axle is REO designed, REO made and REO guaranteed.

17—Finally and for good measure, the REO nameplate. This signifies that the REO guarantee, backed by a concern that is financially second strongest in the world, goes with the car.

IF IT ISN'T A REO, IT ISN'T A SPEED WAGON

R. Haas Electric & Mfg. Co.

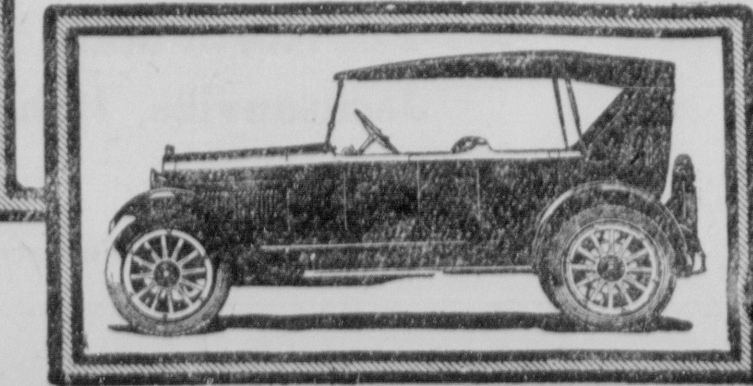

R. W. BLUCKE, Mgr.

REO

Honesty of purpose—supplemented by experience, engineering ability and factory facilities second to none—have combined to produce that happy result where, when anyone says, "Reo," you respond, "That's a good automobile." Reo reputation as you know it today, is the result of eighteen years of honest endeavor to make the best—and only the best—motor cars.

STOCK EXCHANGE
DEALINGS MODERATE
By Associated Press.
NEW YORK, Oct. 19.—The
stock market here today gave no
positive outward manifestation
of the more encouraging aspects
of the railroad situation. Dealings
were moderate and short covering
by professional pressure in other
quarters, notably steels, leathers,
rubbers and chemicals.
Rails and oils made variable
gains in no case extending beyond
one or two points. Sales amount-
ed to 500,000 shares.
The only feature of the call
money market which opened at
4 1/2 per cent but dropped to 4 per
cent at noon was the abundance
of offerings, these being augmented
by another inflow from inter-
ior points.
Sterling exchange rose substan-
tially over yesterday's depression
and German marks were appre-
ciably better, despite the utter
demoralization reported abroad.
Total sales (par value) \$15,375,
000.

Russell Walker of Perry trav-
eled over to the city yesterday.

EXECUTOR'S NOTICE
Estate of Joseph A. Brown, de-
ceased.
The undersigned, having been
appointed Executor of the Last
Will and Testament of Joseph A.
Brown, late of the County of
Morgan and State of Illinois,
hereby gives notice that he will
appear before the County Court
of Morgan County, at the Court
House in Jacksonville, on the De-
cember term, on the first Mon-
day in December next, at 10 o'clock
in forenoon, to receive claims
against said estate and to have
the same allowed or disallowed,
and requested to attend for the
purpose of having the same ad-
justed.
All persons indebted to said
estate are requested to make im-
mediate payment to the under-
signed.
Dated this fourteenth day of
October, A. D. 1921.
J. W. Elliott, Executor.
Wilson & Butler, Attorneys.

NON-RESIDENT CHANCERY
NOTICE
State of Illinois ss.
County of Morgan ss.
IN THE CIRCUIT COURT OF
SAID COUNTY, NOVEMBER
TERM, A. D. 1921.
Fred Englebach, Complainant,
vs.
Melissa Crowther, Harriet
Crowther Hogan, T. B. Hogan,
Laura Miller, John A. Miller,
John G. Russwinkel, Harvey Mc-
Lain and John Mallicoat,
Defendants.
In Chancery, Gen. No. 11,975.
Bill to Foreclose Mortgages.
To Harriet Crowther Hogan and
T. B. Hogan, Defendants, non-
resident:
The requisite affidavit having
been filed in the office of the
Clerk of said court public notice
is hereby given to you and each
of you that the above named
Complainant heretofore filed his
bill of complaint in said court on
the chancery side thereof, and
that a summons in said cause
thereupon issued out of said
court against you and each of
you, returnable on the first day
of the next term of said circuit
court, to be held in the court
house of Morgan County, in the
City of Jacksonville, in the
County of Morgan and State of
Illinois, on the second Monday in
November, A. D. 1921 as is by
law required, and which suit is
still pending and undetermined in
said circuit court.
Now, unless you, the said
above named non-resident de-
fendants, shall personally be and
appear before said circuit court
on the first day of the next term
thereof, to be held in the court
house of said County in said City
of Jacksonville, in and for said
county and state, on the second
Monday in November, A. D. 1921,
next, and plead, answer, except
or demur to said complainant's
bill of complaint, the same and
the matters and things therein
charged and stated will be taken
as confessed by you and each of
you and a decree entered against
you and each of you according to
the prayer of said bill.
Witness: F. E. Wanamaker,
Clerk of the Circuit Court of Morgan
County, Illinois, and the seal
thereof at Jacksonville, in said
County, this 13th day of Octo-
ber, A. D. 1921.
(Court Seal.)
F. E. WANAMAKER,
Clerk of the Circuit Court
within and for the County of
Morgan in the State of Illi-
nois.
CHARLES A. GRIDLEY,
Solicitor for Complainant.

PRICE OF WHEAT
MAKES ANOTHER DROP

(By The Associated Press.)
CHICAGO, Oct. 19.—Wheat
dropped to new low record prices
for 1921. Lloyd George's speech
on unemployment was followed
by heavy selling that turned the
market sharply downward. Clos-
ing quotations were heavy 14 to
20 net lower, with December
\$1.04 1/2 to \$1.03 1/2 and May \$1.04
to \$1.03. Corn lost 1/2 to 3/4
cents and provisions unchanged to 1/4
cent of 3/4. The chief selling in
the wheat pit came during the
last half hour of the session and
found the market practically
without support. The east and
the northwest were especially
prompt in taking to the bear

FRANKLIN CLUB HAS OUTLINED YEAR'S WORK

Homemakers Circle Issue Year Book, Indicating That Interesting Sessions Are In Store for Club Members.

The Franklin Homemakers' Circle is one of the most active women's organizations in the county. Meetings are held once in each fortnight throughout the year and in the ten years since the Circle was organized the membership has grown in a substantial way.

The officers now serving are: President—Mrs. Charles Gibbons.

Vice President—Mrs. William Douglass.

Secretary—Mrs. Miller Keplinger.

Assistant Secretary—Mrs. Milton Seymour.

Treasurer—Mrs. Otha Lewis.

Press Reporter—Mrs. Warren Luttrell.

The program and executive committees are made up of the following:

Program—Mrs. Charles Gibbons, chairman; Mrs. Miller Keplinger, Mrs. Milton Seymour, Mrs. J. Earl Miles.

Executive—Mrs. William Douglass, chairman; Mrs. Samuel Darley, Mrs. George Brown.

The first meeting of the club year will be held on November 1 at the home of Mrs. William Rees. The outline of the year's work is as follows:

November First.

Mrs. William Rees, hostess. Roll Call—Hallowe'en Pranks. The Origin of Hallowe'en—Mrs. Massie.

The Velled Prophet's Parade—Mrs. Miles.

Payment of Dues.

November Fifteenth.

Mrs. James Seymour, hostess. Roll Call—Thanksgiving.

Red Cross Nursing in Peace Times—Mrs. Hawker.

Reducing Infant Mortality—Mrs. Otis VanWinkle.

Current Events.

November Twenty-Ninth.

Mrs. Milton Seymour, hostess.

Roll Call—What I Want in My Garden.

Keeping Up to Date—Mrs. Camm.

Reading—"Grandmother's Shoes"—Mrs. Sears.

Current Events.

April Eighteenth.

Mrs. J. B. Perkins, hostess. Roll Call—My Favorite Motto.

Carle Jacobs Bond—Mrs. Douglass.

Current Events.

May Second.
